March 24, 1964

American Patriots, Greetings:

With the poison potion of phoney "Civil Rights" legislation being prepared for the American people by the Communist controlled American Congress, we also have the following laws advocated in Illinois: Laws permitting:

Wire tapping;
Mail Censorship.

Governor Rockefeller of New York recently signed laws permitting search without a warrant; and seizure without a warrant. These unconstitutional laws are in keeping with the phoney "Civil Rights" that are part of every division of the American Government today. Whether it is the effort to eliminate the right of self-government by the people in the suburbs by extending the power of the Sheriff and the County Attorney, the motivation is the same. Locally, the greedy politicians use the mythical syndicate as the whipping boy and as an excuse for more and bigger grabs for power. Why the politicians who have grown rich and fat under the present system should seek to destroy the Bill of Rights is incomprehensible at first thought. On second thought and study of the problem, the answer is not so obscure. It is the old struggle of the vicious politician for power, complicated in this era by the Communist infiltration in our government. No amount of power is ever enough for a politician, from Annas the high priest, to Lenin, to Roosevelt, to Kennedy, each and all have constantly sought more power! I am sure each of my readers can suggest additional names to go with the four above. It is the curse of the twentieth century that tyrants grow like wild burrs on every political bush.

We all ask ourselves, I am sure, what we can do to retain the few liberties left to us and to regain those we have lost in the past thirty years.

What we can do will be part of the discussion at the meeting April 3rd, and will be analyzed in the next news letter.

For Race and Nation,

SUPPORT THE NATIONAL STATES RIGHTS PARTY

To My Fellow Americans, Greetings:

The National States Rights Party will hold a meeting in the Aviation Room of the Hamilton Hotel on Friday evening, April 3, 1964, 8:00 P.M. The Hamilton Hotel is at 20 South Dearborn Street, Chicago, Illinois.

AGENDA

Brief report on the March 1st, 1964 Nominating Convention of the National States Rights Party.

Report on the death penalty bill for anti-Communists as proposed in the Canadian Parliament. Is murder of Christians to be made lawful? This report from the Canadian Associate of the National States Rights Party will be most interesting.

Discussion will cover new activities and progress in the FIGHT. We are growing! A report on growth will be made.

I enclose an envelope hoping to get comments from those who cannot attend the meeting. Suggestions, advice, even criticisms are always welcome. This is truly a poor man's party and we seek your counsel even if you cannot help with money.

From those who can help in the fight for Freedom I ask donations. Even with a great and nationally known speaker, Dr. Fields, at our last meeting the collection only paid part of the expenses. The need for money is great. I work for a living and have a family to support. I cannot always take money from the kid's piggy bank to pay the party bills. Please try to bring a friend or two to the meeting. We need new members if we are to build a party dedicated to our right to our homes, our neighborhoods and our right to live.

Mike Landis

State Chairman,

real anti-communists to public office. This can best be done by getting a third party, the NATIONAL STATES' RIGHTS PARTY on the Illinois ballot and into power. The NATIONAL STATES' RIGHTS PARTY is already the third largest party in the United States. It was on many ballots in the 1960 election and will be on many more this time. But National organization is not enough. We need more grassroots activity. Although the N.S.R.P. has a unit in almost every district in Chicago, we also need them in every ward, every precinct, every block.

The communists have infiltrated virtually every segment of American society. To combat this, the N.S.R.P. is organized on a cellular basis. Small meetings being held. Youth groups. Study groups in action. We will fight the communists wherever they are. In the schools, in the churches, in the streets.

RACE-MIXING

The number one goal of world communism is to mix the races so interbreeding will produce one coffee-skinned race. A slave race which will never have the ambition or intelligence to revolt. Race-mixing is being pushed by communists and their agents or dupes wherever they are. One look at any left-wing literature will confirm this. In Chicago, many leftist politicians are using the negroes as tools to win elections. Race education is an absolute must for all N.S.R.P. units. We must understand, communism is race-mixing, race-mixing is communism. THE WHITE RACE IS THE ONLY RACE WHICH HAS EVER PRODUCED A TRUE CIVILIZATION.

DEPRAVERY OF COMMUNISM

What happens when a communist regime takes over? Do the people live better? Let us look at Russia in 1921.

To get the innocent Russian people to subject to communism the communists decided to starve them into it. In the fall the crops were taken away by the communist army. The following is taken from a U. S. Government report. (ref. House Document N. 139, 87th Congress, 1st Session, Page 130)

The Famine:.

The famine that struck large areas, particularly on the Volga and in the Ukraine, in 1921 - 1923 was caused only to a small degree by the drought and other natural phenomena. In main it was the consequence of the political developments of the preceeding few years - the ruthless requisitioning of food,

seed, and the cattle;In general the drive against the peasantry conducted under the slogan of fighting the Kulaks. It was a man-made famine.....

As the famine assumed hugh proportions, the government, proceeded to publish reports and records gathered by its agencies. The photos of actual scenes from the famine-stricken areas were published, with such captions as:

"The black coffin is collecting corpses of children who died of starvation."

"A boy from the village of Karemkhi, dying of starvation."

Out of a total population of 31,922,000 in the famine stricken regions the number of starving was:

| | | |
|------------------|---|------------|
| In January, 1922 | - | 15,162,000 |
| In April, 1922 | - | 20,113,800 |
| In July, 1922 | - | 22,558,500 |

Thousands of children were left helpless after the deaths of their parents; in general children were the worst sufferers among the population. In the famine regions of the Volga and Crimea there were about 2,500,000 orphans.

Some of the children were shipped in a "systematic" way from childrens homes to regions which were better off; others strayed in the childrens homes of the providence. The bulk of them, however, left by their dead parents to the mercy of fate, were lost. The freezing cold, the starvation, the illness.... It is obvious why childrens corpses by the hundreds were hauled off.

At the end of the summer of 1921 a real panic developed. Drought, fires, cholera. The weakened population fell easy prey to cholera, typhus, and epidemics raged in the famine-stricken areas.

1933:

The starvation of 1921-23 was not enough. The workers of Russia still relucted giving their farms and livestock to the collective farms. They did the same thing 10 years later.

.....Unfortunately the subject of the disaster of 1932-33 was and still is taboo in the Soviet Union. Even the population statistics of those years were withheld or distorted to conceal the heavy loss of life. Foreign correspondents were strictly forbidden to visit the hunger-stricken areas. It would appear that on the basis of evidence from visitors and refugees that 5.5 million people died in excess of normal mortality. A large part of the excess deaths occurred in the rural areas in the disastrous winter of 1932-1933.

According to Otto Schiller, ...who was Germany's agricultural attachee in Russia for many years and also visited many starvation areas, "The whole area south of the forest-steppe zone of European Russia, stretching to the autonomous republics, parts of Central Asia was involved in the starvation." Schiller said, furthermore, "The figures of 5 to 10 million victim deaths mentioned is not excessive. There may even have been more...

COMMUNISM MEANS POVERTY, STARVATION

In every country that communism has taken over the people have had food shortages and a lower economic condition. Can you imagine what would happen in America if this took place? Millions of cannibal negroes roaming the streets eating up everyone in sight? Like a swarm of hungry ants.

This is just another reason they are pushing race-mixing so hard. Also what would happen in a war? Would the negroes be good fighters? They weren't in World War Two. Entire regiments have been known to have deserted and just ran when the shooting started. They were then sent behind the line for labor duty or back to the States. The only solution to the race problem is to return them to their homeland in Africa. The platform of the N.S.R.P. calls for just this. If we are to remain a free, civilized people, then this must remain a white nation.

ILLINOIS VOTE BLOC

The only thing that can hold Illinois in the Liberal-communist camp on election day is the continuing rise in colored population.

Liberal politicians can look at the statistics and quickly compute reasons for luring more negroes into this state.

In ten years from 1950-1960, this state gained 391,490 negroes, giving it now 1,037,470. Projecting this trend at the same rate, the present negro population is nearing 1,200,000. New York leads the nation in total negro population (1,417,511-1960 census) Ill., Tex., and Cal. are in a tight race for second place. The bulk of the negroes moving into Illinois settle in Chicago and E.St.Louis neighborhoods. There is a corresponding increase in crime, venereal disease and welfare load.

No left-wing politician is willing to discourage the inflow. It's their best hope to remain in power.

A retraction: In the last issue it was stated that all 3 of the communication network heads were born in Russia. Only one of them was...(Sarnoff).

RARE BOOK RESURRECTED FROM JEW IMPOSED SUPPRESSION

BEHIND COMMUNISM

by FRANK L. BRITTON

The greatest expose' of the Jewish nature of International Communism ever written. This book was a best seller in the right-wing just a few years ago. "Behind Communism" caused an immediate and startling sensation throughout the nation when it was published previously as it both documents the rise of Communism in pictures and does more than any other document in modern times to place the finger on the Jews as the force behind Communism.

FRANK L. BRITTON

"BEHIND COMMUNISM" proves :

JEWS revolted in 1917 and overthrew the Czar in Russia
JEWS then formed Communist parties in other nations
JEWS brought Communism to America
JEWS dominate U. S. Communist Party today
JEWS made up 90% of all Red spy rings in U. S.
JEWS control Hollywood film propaganda
JEWS still run World Communism

"BEHIND COMMUNISM" gives facts in over 100 pictures that cannot be refuted. This fantastic book will awaken any open-minded person who reads it through from cover to cover. Now reprinted by popular demand.

WHERE IS FRANK L. BRITTON TODAY ?

He is languishing in San Quentin Prison in Tamal, California serving the fantastic sentence of one-year-to-life! He has now been in prison for over three years with no parole or probation in sight as yet. We will soon tell the whole story on how Mr. Britton was framed and railroaded into prison. When you buy these books you help Mr. Britton who will receive a royalty on every copy sold.

FRANK L. BRITTON may be suffering in prison, but his greatest work, "BEHIND COMMUNISM" is now available to strike another blow at the enemy.

Defeat Civil Rights Bill

NSRP Nominates Kasper For President

John Kasper Has Fought & Suffered For The Rights Of White People

When the U. S. Supreme Court first handed down its now infamous school integration decision, one, single, lone individual took a stand against it. He was John Kasper. Right after the school mixing started, Kasper organized the Seaboard White Citizens Councils. He was the very first Patriot to organize and personally lead White demonstrations in the streets against school integration.

John Kasper was born in Camden, N. J., on Oct. 21, 1929. Kasper attended High School in Gainesville, Ga., where he moved in 1944. From there John Kasper enrolled in Columbia University in New York City from which he received a B. S. degree in the spring of 1951. Kasper has owned and operated a book store and was the first to publish Eustice Mullins now famous book, "Federal Reserve Conspiracy."

Kasper was the first to rally the Whiteman in the streets to

stand up for the Rights of White people. As a result of this, Kasper served three terms in prison. Two federal terms (for obstructing court ordered school mixing - same thing Dr. Fields was accused of) and for "inciting to riot," in Nashville, Tenn. NO OTHER WHITE PATRIOT IN THE SOUTH HAS SUFFERED AS MUCH PERSECUTION FOR THE SAKE OF OUR CAUSE THAN HAS JOHN KASPER. After almost three years in prison, Kasper is still willing to lead the people in this holy struggle for Race, Nation and Faith. He will be on the ballot in many states next Fall under the Thunderbolt banner of the National States Rights Party. He is our nominee for President of the U.S.A. We feel his many sacrifices make him the ideal candidate to lead a Paul Revere crusade during the next November election. (Outline on the background of our Vice-presidential candidate will appear in the next edition of "The Thunderbolt.")

HOW RIGHTS BILL EFFECTS YOU

If the proposed legislation is enacted, the President of the United States and his appointees—particularly the Attorney General—would be granted the power to seriously impair the following civil rights of those who fall within the scope of the various titles of this bill:

1. The right of freedom of speech and freedom of the press concerning "discrimination or segregation of any kind" "at any establishment or place", as delineated in the bill (secs. 202-203).
2. The right of homeowners to rent, lease, or sell their homes as free individuals (secs. 601-602).
3. The right of realtors and developers of residential property to act as free agents (secs. 601-602).
4. The right of banks, savings and loan associations and other financial institutions to make loans and extend credits in accordance with their best judgment (secs. 601—602).
5. The right of employers "to hire or discharge any individual" and to determine "his compensation, terms, conditions, or privileges of employment" (title VII).
6. The seniority rights of employees in corporate and other employment (title VII, title VI via sec. 711(b)).
7. The seniority rights of all persons under the Federal civil service (sec. 711 (a)).
8. The seniority rights of labor union members within their locals and in their apprenticeship programs (title II, title VI via sec. 711 (b)).
9. The right of labor unions to choose their members, to determine the rights accorded to their members, and to determine the relationship of their members to each other (title VII, title VI via sec. 711 (b)).
10. The right of farmers to freely choose their tenants and employees (title VI and title VII).
11. The right of farm organizations to choose their members, to determine the rights accorded to their members, and the relationship of their members to each other (title VI and title VII).
12. The right of boards of trustees of public and private schools and colleges to determine the handling of students and teaching staffs (title IV, title VI, title VII).
13. The right of owners of inns, hotels, motels, restaurants, cafeterias, lunchrooms, soda fountains, motion picture houses, theaters, concert halls, sports arenas, stadiums and other places of entertainment to freely carry on their businesses in the service of their customers (title II, title VI, and title VII).
14. The right of the States to determine the qualifications of voters in all Federal elections and many State elections (title I).
15. The right of litigants to receive evenhanded justice in the Federal courts; this legislation places civil rights litigants (particularly the Attorney General) in a special category with preferences and advantages not afforded parties in any other form of litigation (sec. 101 (d), title IX).

FREEDOM DIES IF CIVIL RIGHTS BILL BECOMES LAW

The current Civil Rights Bill would set up a Communist police state in America. There has never been a more tyrannical bill facing the American people. This evil bill would use vast new federal police powers to force the Negro down the throats of the White American people. The greatest individual right handed down to us by our forefathers is FREEDOM OF CHOICE to associate with our own race. THE NEW CIVIL RIGHTS BILL WOULD FORCE US TO MIX WITH THE NEGRO RACE AGAINST OUR WILL IN EVERY PHASE OF OUR DAILY LIFE.

The Civil Rights bill is wrong, it is evil, communistic and anti-White. The bill was introduced into the House by the race-mixing Jew Emanuel Celler. Jews have continued to be the main backers of this criminal bill. The bill would mongrelize the White race by mixing our with that of the Negro. This bill would mongrelize and destroy our White Race. Absolutely every means at our command must be used to defeat the Civil Rights bill. Our forefathers fought to the death so that we would be a pure White Race of people. Now is the time to rise up against this communistic bill and defeat it once and for all. WE WANT NO COMPROMISE. WE MUST DEMAND THAT EVERY MAN IN THE U. S. SENATE, WHO CALLS HIMSELF A WHITEMAN, WORK TO FILIBUSTER THIS TREASONESS BILL TO DEATH. NOW IS THE TIME TO ACT FELLOW WHITEMAN, WRITE OR WIRE YOUR U. S. SENATOR TODAY TO HELP TO FILIBUSTER AGAINST THE CIVIL RIGHTS BILL. IMMEDIATELY CONTACT EVERY FRIEND, NEIGHBOR, RELATIVE AND FELLOW WORKER YOU KNOW TO CONTACT THEIR SENATOR ALSO!

RUBY ATTACKS THUNDERBOLT

On March 1st in Dallas, Texas, Attorney Melvin Belli charged that circulation of "The Thunderbolt" in that city was depriving Ruby from receiving a fair trial. This was one of the grounds Belli has used in seeking to move the trial to another city. "The Thunderbolt" has charged that Ruby knew Oswald and was a part of the Assassination plot. It has now come to light that Ruby (real name Rubenstein) went to Cuba six months after Castro took over and tried to work out deal to sell military jeeps to the Communist Dictator.

"Minute Man" Type Groups On Dangerous Grounds; Frame-Up Possible

National States Rights Party and Dr. Edward R. Fields have over and over again instructed our membership that eventual power can be obtained by the right wing ONLY by legal and peaceful efforts upon the part of the aroused and awakened White-man. There are some paramilitary "minute man" type groups that feel it is too late for political activity. NSRP wishes to warn all Patriots to consider carefully such theory. So-called Guerilla activity and other direct action activity is out of all reason and not practice. J. Edgar Hoover claims he has successfully infiltrated these right wing groups at the orders of Bobby Kennedy and Nickolas Katzenbach. We believe this to be true. These people who believe that they can resort to armed action to prevent communism from taking over America must take into account the full power of the total armed might of all the nations which make up the U.N. (which would be arrayed against any such internal activity within the USA). Also, their beliefs reach the ridiculous point of the federal government, National Guard that can be nationalized and local police forces that would remain loyal to the central government. We of the NSRP have reason to believe that there is a serious possibility of a federal round-up of certain minute man type in-

dividuals and groups who have gone to far in theory and practice. NSRP demands that all who are connected with our party immediately dis-associate themselves from such potentially illegal groups, or face expulsion from NSRP. Any such foolhardy adventures are subject to disastrous consequences and would set back the Patriotic, Anti-communist right wing. This is a grave situation and the blame for this can't be placed upon the heads of irresponsible people who have let their imagination run away from them. The enemies of the general right wing movement will win a great victory if they are able to use the FBI to sweep down and make mass arrests of foolish people involved in this dangerous daydreaming. We ask that sensible people take charge of the situation and resign from, and denounce those who are playing into the hands of the enemy by silly plotting against the Government. Only through the ballot box can we take power. Those who believe in other forms of action, stay away from NSRP. Anyone caught diverging from these principles will immediately be expelled from NSRP. The Right Wing is now growing and winning, let our movement not be set back by those who might allow themselves to be entrapped by false leaders who live in a dream world. ONLY LEGAL MEANS CAN WIN THIS STRUGGLE.

Life Magazine Smears NSRP And Dr. Fields

The Feb. 7 issue of Life magazine published a vicious smear article against National States Rights Party, Dr. Edward R. Fields and other right wing groups. The real "blow" came at the very end of the article where Jew physicist Bruno Bettelheim tells why people "hate". It seems Dr. Bettelheim is another one of those "survivors" from Nazi concentration camps of Buchenwald and Dachau. (There are so many of these Jew survivors of German concentration camps popping up in America these days, that they are forming Associations and clubs depending upon which camp they came from. To our count, we figure that there must have been about six million Jew survivors, and they all came to the USA). Dr. Bettelheim starts off with this fantastic statement: "The example we think of immediately today when we talk of hate and haters is Lee Oswald. From the evidence I have seen, he fits into the classic pattern of hate even though he was apparently not a member of any of

the various hate groups on the American scene." Then he goes on to compare all right-wing Patriots to Oswald. THERE IS NOT ONE WORD IN THIS ARTICLE TELLING ABOUT OSWALD'S COMMUNIST BACKGROUND, HIS LIVING IN SOVIET RUSSIA, MARRYING A RUSSIAN, BEING A LEADER IN THE CASTROIT, "FAIR PLAY FOR CUBA COMMITTEE." This is another attempt by Jews to rewrite history. To turn all the facts upside down and blame the right wing instead of the guilty left wing. Patriots will not be fooled, and the lies and confusion being spread (and facts covered up) by the Earl Warren Commission will not change the truth. A COMMUNIST KILLED THE PRESIDENT OF THE UNITED STATES, AND OUR NEW PRESIDENT HAS NOT SAID ONE SINGLE WORD DENOUNCING COMMUNISM FOR THE CRIME. Instead they try and blame the ANTI-communist right wing. God save us from the warped mind of the left-wing Liberal.

Cassius Clay's Remarks. . .

After winning the big fight in Miami against Sonny Liston, Cassius Clay admitted that he was a member of the Black Muslims for some months. Said Clay:

"I like the Black Muslims. They're not the ones getting locked up, so they must not be doing anything wrong. They're not out in the streets fighting, trying to get in places where they're not wanted."

"I believe in stepping aside if I'm not wanted. Two little colored kids go to a White school and the other kids don't want them. The two colored kids shouldn't be sent. I'm not going to get killed trying to force myself on people who don't want me. I like life. Integration is wrong."

We predict that Cassius won't last long in Jew controlled boxing because they can't "fix" his big, loud mouth.

STATES RIGHTS CAN WIN IN '64

KASPER SPEAKS

John Kasper is a man whose name has become synonymous with courage and candor. He is a man who fears neither the lies nor the terrorism of the Jews. He has both suffered and sacrificed for our great racial ideals. Unlike the faith-hearted politicians of the old-party machines, John Kasper speaks out fearlessly for truth and against treason and treachery coated with the poisonous sugar of compromise.

Understanding the immediate and growing threat of the Jewish menace, Kasper has stated: "I am opposed to any nation that attempts to usurp American nationality and the Jews are nationalists of another country. Some of them have tried to do this and are trying to do this. Fortunately we are having a surge of American nationalism which

Negroes are on the march all over America pushing, rioting, agitating against the rights of the White Race. The future of the Whiteman is at stake and most people are only today awakening to the danger which confronts us. Yet, almost ten years ago John Kasper was fighting to awaken the sleeping giant of white power." It is the noble whiteman who has given the Negro the benefit of white-organized Christian civilization and it is degenerates who have organized the Negro to destroy the White Race in America to establish world Communism," warned Kasper in the days when he stood almost alone against the Jew-led black tide.

But in spite of all, John Kasper is no pessimist who believes that all is lost. "I say that integration can be reversed," stated Kasper, "it can be stopped anywhere that an attack is made at every single level. What we are trying to do is regain local control of local affairs. You can hardly expect to have a choice between the hollow pumpkin on a pole who is in the White House and the man who ran against him in the national election -- two men, both of them dedicated to stupidity and treachery. The pressure has got to start from the people themselves at the bottom -- nowhere else."

John Kasper is the candidate of the White people and through his campaign this year the future destiny of our Race and Nation will be determined.

Kasper-Man Of Destiny

WHY WE BACK KASPER

We have had a few inquiries asking why we chose John Kasper as our candidate for President instead of one of the better known old-party politicians such as Thurmond. One such letter even stated that our ticket could not be considered any more than a "token slate" and could "not be taken seriously."

The contrary, however, is the case. For the first time a third party is running a SERIOUS campaign. Other third parties content themselves by running old-party politicians every four years. The very fact that their candidates are members of the old and corrupt Democrat and Republican parties is enough to destroy confidence and respect within third party ranks.

These other third parties are merely "playing games." We of

the National States Rights Party do not believe that the struggle in which we are engaged is a "game." We do not believe that any old-party politician, or his corrupt party machine, or his philosophy of self-interest and compromise will ever carry out Race and Nation to the new national rebirth which we seek.

WE ARE RUNNING A SERIOUS RACE! John Kasper is a man who stands with our White Race in its struggle for survival and supremacy -- he is a man who stands with America and against Jewish Communism -- he is a man who takes this stand without compromise. He is not afraid to mention the race question or the Jewish question and he will never thrust the knife of betrayal into our back. John Kasper IS the candidate of our White America!

N.S.R.P. & Wallace Electors Work For Victory

Gov. George C. Wallace's campaign in the Democratic state primaries has had a tremendous effect throughout the nation. He has proved that the vast majority of the people both north and south are against the dictatorial Civil Rights Bill. Gov. Wallace has organized a slate of UNPLEDGED ELECTORS, which will most likely be on the ballot in Alabama, Mississippi, and Louisiana. This slate will definitely carry in those states. The National States Rights Party will co-operate with this plan and work for victory for these Unpledged Electors in these states. At the same time we will continue to work to place our Third Party, Kasper-Stoner slate on the ballot in many OTHER states both North & South. All need to realize that Gov. Wallace is running for President ONLY in the Democratic primaries to expose the evil Civil Rights Bill. He knows that this is a protest move and that Johnson will receive the Democratic nomination. GOV. WALLACE WILL NOT BE RUNNING IN NEXT NOVEMBER'S GENERAL ELECTION. At that time the National States Rights Party will step into the picture. We will then try and carry as many states as possible to work with the three states having unpledged electors. Gov. Wallace is not trying to form another third party. He has stated that as a Democratic Governor he must stay in that Party, but will work for the unpledged electors in the three key states of Ala., Miss., and La. We strongly support this, and will work to place a Third Party NSRP ticket on the ballot in as many other states as possible. If we are able to carry only a few states, and Gov. Wallace can carry his three Unpledged states, there is a definite possibility we can prevent both Johnson and Nixon (Probable GOP candidate) from being elected. In this way, the NSRP and Gov. Wallace could throw the election into the House of Representatives where each state could dominate the election under these circumstances. The free states of the South and the West would then be in a position to select the next conservative president of the U.S.A.

The two old parties (Democratic and Republican) are run by the highly organized Jew-Negro politician machine. In their smoke

filled rooms they select the major candidates for us to choose from. THERE IS NO CHOICE BETWEEN TWEEDLE DEE AND DWEEDLE DUM! The big Jew-political bosses like Artie Samish and Jake Arvey decide who we will vote for. The hold of the international Jewry on the old two parties is so complete, that the only answer left for the Whiteman is a new third party. The NSRP fits the bill in every way. We are the 100% Whitemans party. Don't waste your vote on the two Jew-run parties, vote the Whitemans ticket, VOTE N.S.R.P.

Victory In Kentucky

The National States Rights Party is the only third party to qualify for a place on the 1964 Kentucky ballot according to the Kentucky Secretary of State, Mrs. Thelma Stovall. Our loyal petition workers throughout the state collected well over the required number of signatures in record time and the admiration and thanks of National Headquarters goes to them for a job well done. The petitions were filed at the State Capital in Frankfort on March 30 by a delegation of local citizens. Present for the filing ceremony were NSRP Vice - Presidential Candidate J. B. Stoner, and THUNDERBOLT Associate Editor Jim Thornton. The people of Kentucky will now have a third choice in the November elections and can vote for the candidates of the White Race and against the sell-out traitors of the two old parties. As many more states as possible will be given this same choice.

N.S.R.P. TO REPRINT KASPER BOOK

Some years ago John Kasper wrote and published a book which exposes the crime of race-mixing and which proves that it is a Jewish-inspired scheme to destroy our race. The N.S.R.P. will soon reprint this excellent and brilliantly written booklet. Watch for news of it in a coming edition of THE THUNDERBOLT.

FLORIDA BALLOT

Thurmond Delegate Slate Is Withdrawn

TALLAHASSEE, March 30 (AP)—President Johnson was left unopposed today on the Florida ballot for the state's Democratic national convention votes when a delegate slate pledged to Sen. Strom Thurmond of South Carolina was taken off at Thurmond's request.

Adams said that since Thurmond did not want his name on the ballot, the names of the delegates pledged to him could not remain on the ballot either, since changing them to an unpledged slate would mean a change of standing after the close of the period for qualifying delegate slates.

The South Carolina senator said that he didn't want to have his name used as candidate for president in the Florida primary.

In his letter to Adams, Thurmond said that he had learned "that my name has been entered in the Democratic party primary for nomination to the office of president of the United States."

"I do not wish to have my name used in this primary and therefore request that my name be withdrawn," he said.

Two other Right Wing groups have tried to form Third Parties to boost Sen. Strom Thurmond for PRESIDENT. Please study the nearby clipping. Sen. Thurmond has refused to run and has asked that his name be removed from the ballot. Sen. Thurmond wishes to remain in the U. S. Senate (where he is doing an excellent job) and will not give up this position of power to run on any other third ticket. These people are wasting their time unless they back the NSRP candidates. We must look to our own ranks for true White Folk candidates. Sen. Thurmond and others with seniority and political obligations will not leave the old parties. New faces and new names must be found. This is exactly what the NSRP has done. Thurmond is now officially off the ballot, Kasper-Stoner are going on the ballot. Stand with us, for future victory lies within our ranks.

BROOKLYN SUFFERS BECAUSE OF JEW INSANITY

WILLIAMSBURG STREET SCENE: Children stand near bonfire on Hewes Street in the Williamsburg section of Brooklyn. Fires were built by Hassidic Jews to dispose of leavened bread in Passover ceremony. Children added assorted rubbish to the fires.

Bread-Burning by Hassidic Jews Keeps Brooklyn Firemen on Go

Fire engines sped all over the Williamsburg section of Brooklyn yesterday as about 40 alarms were sounded for fires set in the gutters by Hassidic Jews who were burning leavened bread before the beginning of Passover at sundown last night.

Neighborhood children added other tinder to the tiny symbolic fires, and the charred remains of phone books, cardboard boxes and linoleum squares could be seen in the smoldering piles of rubble.

According to Jewish tradition, all food left in the home—food that is called "chometz"—must be removed before Passover begins. Leavened bread is taken out and symbolically burned.

The Hassidim, a strictly devout sect whose members wear earlocks, long black coats and broad-brimmed round black hats, began their fires at 6 A.M.

Mounds of Ashes by Noon

By noon, the streets between Bedford Avenue and Broadway were filled with mounds of ashes being stirred and poked by youngsters at play.

A man who identified himself as a director of a Hassidic elementary school stopped on Hewes Street to survey one pile of burned rubble. "This is not the way it should be," he said.

Then turning to a group of boys in the ashes he said, "Just bread should be burned." Bags of refuse set out by housewives scrubbing their homes for the seders, the feasts of the first two nights of the holiday, provided ample fuel for the children's bonfires.

By the early afternoon only children could be seen by the fires. The rest of the community was preparing for the next eight days during which it will commemorate the flight of the Jews from bondage in Egypt.

Representatives of the Police, Fire and Sanitation Departments were understanding, but they all regarded the fires that burned more than bread as a nuisance.

They blamed the children, primarily, but Mrs. Esther Dworetzsky, a young public school teacher who has lived in the area all of her life said she was "surprised by the number of adults who joined in building up the fires."

The crew of a sanitation truck agreed that the fires presented a problem. "We can't load the rubbish while it's smoking," one of the men said. Since the area has pickups only on Monday, Wednesday and Friday, the rubbish piles will have to stay in the street through the week-end.

THE SECRET WORLD GOVERNMENT

The Unrevealed in History

100 Historical "Mysteries" Explained

Maj.-Gen., Count Cherep-Spiridovich

"THE SECRET WORLD GOVERNMENT" by Maj. Gen., Count Cherep-Spiridovich. This amazing book was first published in 1926 by the "Anti-Bolshevist Publishing Association." Count Cherep-Spiridovich figured frequently in the news at the turn of the Century. In 1907 he presented President Theodore Roosevelt with a silver cup on behalf of the Slavonic Society of Moscow. He led the White Russian forces loyal to the Czar against the Communist revolutionaries in 1918. The Count had 68 generations of Nobility behind him. He personally knew the crowned heads of many European nations of his time. The Count was a Major-General in the Russian Czars Army and led many battles against the Bolsheviks before the nation fell into Communism. The Count had five sons, four died fighting communism. In 1926 the Count published his book "Secret World Government" exposing 100 historical mysteries and the Jewish power behind them. That same year the Count called a national convention in New York of all Slavic peoples to Unite to overthrow the Communist regime in Russia. On Oct. 22, 1926 on the eve of his great rally to Unite all Slavs against Communism, Count Cherep-Spiridovich was discovered dead in his hotel room of Gas escaping from a radiator which had a petticoat stuffed in it. Police Medical Examiner, Dr. George P. Mort, declared the death to be "accidental." Many Patriots have doubted this down through the years. Stalin hated the Count and desperately wanted to stop him from organizing the Slavic people. Also, Communist-Jews were in a rage over the Counts book exposing their part in the conspiracy: AFTER 38 YEARS THIS RARE BOOK IS ONCE AGAIN AVAILABLE - THIS BOOK IS A MUST FOR EVERY PATRIOTS REFERENCE LIBRARY:

SUPPORT "THE THUNDERBOLT" AND N. S. R. P.

Often our supporters ask us just what they can do to build the NSRP and support our newspaper. The last edition of our publication was dated May-June (#59). Our next edition #60, will be dated July-August and will appear in mid August. All subscriptions have been moved up accordingly and everyone is guaranteed 12 full editions. A shortage of funds has forced us to combine these issues during the summer months. Our plan is to publish every month without fail starting with the Sept. issue.

You can help by making regular contributions to National States Rights Party and purchasing the new books which we advertise on our list this month for the first time. Please make your selection and rush your order in today.

NEW ANTI-JEWISH BOOKS, FIRST TIME ON OUR LIST.

It is 124 pages and is one of the best books we have ever read exposing the phony Jewish religion and their efforts to pervert and take over Christianity. Chapters include: The Fallacy of Judeo-Christianity, Explains that so-called Jews of today are not people of Biblical days, proves that Christ was not a Jew, How Christ fought the Jewish Leaders, Shows the Jewish hand behind all Anti-Christian movements including today's World Communism. The book includes a chapter of photostates proving the Jewish Talmud (their Bible) to be a Anti-Christian hate book. Rush your order, Only \$2 per copy. ____.
- 2) "THE OVERMAN REPORT" This is an 160 page book, filled with photostates of U.S. Government documents and reprints of Congressional Record investigations which took place right after the Russian Revolution. This book contains hundreds of little known facts that give documented proof of exactly how the Jews bring Communism to power. Only \$2 per copy. ____.
- 3) "THE ULTIMATE WORLD ORDER" by Maj. Robert H. Williams, former U.S. Counter-Intelligence officer. This fantastic book is a study of a secret Jewish instruction book called "The Jewish Utopia". It details how perfect the world will be after the Jews take over. All Jews will then live in a paradise, or utopia. It also tells how they will keep their blood lines pure, and mongrelize all the other races. A very important book by Maj. Robert H. Williams. Keen insight into what life will be like if the Jews take over the world. Only 75¢ per copy ____.
- 4) "BEHIND COMMUNISM" by Frank L. Britton. This is the PICTURE story of how Communism came to power in Russia and spread throughout the entire world. Pictures cannot lie, and this book proves Communism is a world wide Jewish conspiracy to enslave all White Christian people and mongrelize the White Race. 125 smashing photographs, the biggest selling book ever to appear on an NSRP book list. If you have not read this book as yet, rush your order in at once. Only \$1 per copy ____.
- 5) CONTRIBUTIONS URGENTLY NEEDED: We have a campaign on to raise funds to sustain the publication of our newspaper "The Thunderbolt". We plan on keeping our newspaper at 16 pages and are trying now to raise funds to finance the next edition which will be the July-August issue (#60). Dear Fellow Patriot,

We are pleased to announce the re-establishment of World Service, and
~~enclosed is our first leaflet for public release.~~

As you may know, World Service was originally founded in 1929 by Lt. Col. Ulrich Fleischhauer of Erfurt, Germany, and published in 13 languages. World Service functioned continuously from that time till 1945 when it was suppressed by force of arms. Because Col. Fleischhauer had done such an effective job during those 16 years, exposing Communist and Jewish terrorism, he was arrested and attempts were made to railroad him into a Jewish prison, or possibly death with Julius Streicher and the other patriots, at the Second Purim held at Nuremburg in 1946. These attempts failed due to the fact that World Service was a PRIVATE operation, and therefore not responsible for the alleged "crimes" of any government. However, due to the repressive "de-Nazification" laws of post-war Germany, Col. Fleischhauer was unable to continue spreading the truth, and passed away in retirement in 1960.

Today the world is shaking under the same evil it faced in the thirties. Some of the faces have changed, but the conditions and problems remain the same. It is with this background that we pass to the present. Now, more than ever before, something is needed to turn the tide of ignorance and slander which threatens to engulf the entire world. Something is needed to enlighten the millions of mis-informed Gentiles of the world concerning the dangers they are facing. It is with this in mind that we have re-established World Service.

Within the next year we hope to spread the truth far and wide, from continent to continent, but we need your help. We need individuals to spread our literature and broadcast our message. We need small groups to organize the mass distribution of material designed to shake the masses from their slumber and awaken them to reality. And also, we need backers who will provide the funds necessary to run an ambitious, international organization of this nature. Can you help? To get started we are offering extra copies of the enclosed leaflet at cost price, that is, 1¢ each or 100 for \$1.00, 1000 for \$10.00, etc. Make cheques and money orders payable to World Service, or just send cash. Everyone ordering or donating, any amount, will be put on our permanent mailing list. Your comments and suggestions are welcome, and we look forward to hearing from you real soon.

Yours for Race and Nation,

D. Stanley C.M.

Important Notice!

To all N.S.R.P. Members and supporters. Two former members of NATIONAL STATES RIGHTS PARTY have formed their own group and are calling it the American States Rights Party. They also have copied our symbol the Thunderbolt, as well as our name. We want it thoroughly understood that there is absolutely NO connection between the two names. All splinter groups which have ever left the N.S.R.P. in the past have failed. Operating from a post office box, also in Birmingham, this rump group of about 5 people will spread confusion and disunity by their plagiarizing our name and symbol. All loyal NATIONAL STATES RIGHTS PARTY people should ignore these disruptors and continue backing "America's Largest Third Party," the NATIONAL STATES RIGHTS PARTY. Don't let their slightly changed name fool you - continue, as before, to send all memberships, subscriptions, orders and contributions to P.O. BOX 783, BIRMINGHAM, ALA. Do not be confused, we are the ONE and ONLY —

Dues Go To \$8 Dec 1st.

The National Executive Committee of the National States Rights Party has voted to up the yearly NSRP membership dues from the present \$5 to \$8, effective December 1, 1964.

Our Party leaders have found that additional funds are urgently needed if we are to keep up with the growth of our Movement. Our membership has hit an all time peak, and a lack of funds has been holding back organizational work at the National Headquarters. A study of other right-wing organizations proved that our yearly dues were less than the Birch Society, KKK and similar organizations. It simply is not possible to continue to push present drives with the limited amount of funds on hand.

ALL MEMBERS MAY SEND IN THEIR PRESENT MEMBERSHIP CARDS AND RENEW NOW FOR ANOTHER YEAR, AND HAVE TWELVE MONTHS ADDED ON TO THE TIME STILL DUE YOU ON YOUR OLD CARD AT THE \$5 RATE.

IF YOU ARE NOT NOW A MEMBER AND HAVE BEEN THINKING ABOUT JOINING FOR SOME TIME, YOU MAY NOW STILL ENROLE AT THE OLD RATE.

The NSRP offers the following membership benefits, which no other group can match:

- 1) All Members receive "The Thunderbolt", a 16 page newspaper at no additional cost.
- 2) The right to attend meetings of Members only and vote on Party policy and officers.
- 3) Legal protection: NSRP furnishes legal aid to any member persecuted in the line of Party duty, anywhere in America. We are the ONLY right-wing organization to offer such a plan. If you are an ACTIVE PATRIOT you can not afford to be without this protection.
- 4) The inner feeling of knowing that you are a part of the Third Largest right-wing political party in America, forging a sword of steel that will cut away the chains that shackle the Whiteman in America.
- 5) Any married man who joins will receive a FREE membership card for his wife. She will receive the same benefits and privileges as her husband. (No additional cost.) Be sure and give your wife's full name.

NOW IS THE TIME TO JOIN (OR RENEW) YOUR NSRP MEMBERSHIP ! SAVE \$3.00 before the Membership fee goes up December 1st, 1964. Fill out below in detail.

There is a silent revolution going on in America today. The Negro is taking over the United States Government. The Black revolutionists in the streets are winning their fight. On this page we list but a few of the many thousands of Negroes who have been appointed to important Government positions. They are infiltrating every essential branch of the government. We are being ruled by black men, appointed by traitors to the White race, whose only thought is the Negro vote.

WE HAVE BEEN SOLD DOWN THE RIVER BY SCHEMING POLITICIANS WHO WOULD TALLY-UP MONGRELIZE THE WHITE RACE. Kennedy, Johnson administrations have packed the government payrolls with more Black men than any previous administration. Most all of these Blacks were raised to high positions over Whites who are much better qualified. Most all these Negroes have White women for their secretaries and assistants. That is why the main plank in the National States Rights Party is to send the Negro back to Africa where he came from. This (Continued on Page 2)

BULLETIN Powell Likes Lynda

The Thunderbolt has just received a special from the National Press Club in Washington, D. C. WHAT ALL WASHINGTON IS TALKING ABOUT, Congressman Adam Clayton Powell's interest in Lynda Bird Johnson, the President's daughter. Much married Powell, a leader of the Negro revolution, has been in hot pursuit of his objective—she doesn't seem to mind the attention. One reporter, gleaned this from her: He's a very interesting person. President Johnson has threatened to revive the quashed income tax scandals on Powell if he doesn't lay off—this may be the biggest bombshell of the coming Presidential campaign; Powell has always been wild about white girls; he has a white wife in Puerto Rico, and he has several goodlooking white secretaries. Reporters have been trying to find out for months just what their duties are.

COMMUNISM AND THE JEWS

KARL MARX

A Jew, Karl Marx, (real name Karl Mordécai) founded communism. A Jew, Friedrich Engels, supplied Marx with funds.

Almost all of the communist leaders have been Jews, or married to Jews. Stalin, Lenin, Kruschew and Whittaker Chambers married Jews.

President of the 1905 Petersburg Soviet was Trotsky. In 1917 he was president of the second Petersburg Soviet during the Bolshevik Revolution.

A Jew, Leon Trotsky, was creator of Russia's Red army. In 1917 Trotsky sailed from New York with 276 men which he placed in the top positions of the Russian government. Most of these 276 men were Jews. Jewish bankers, such as Jacob Schiff, of Kuhn & Loeb supplied Trotsky with \$46,000,000 which he used to establish communism in Russia.

80% OF ATOM SPIES WERE JEWS

JULIUS and ETHEL ROSENBERG

A few of these Jewish atom spies are the Rosenbergs, Harry Gold, David Greenglass, Isreal Weinbaum, Morton Sobell and Miriam Moskowitz.

MORTON SOBELL

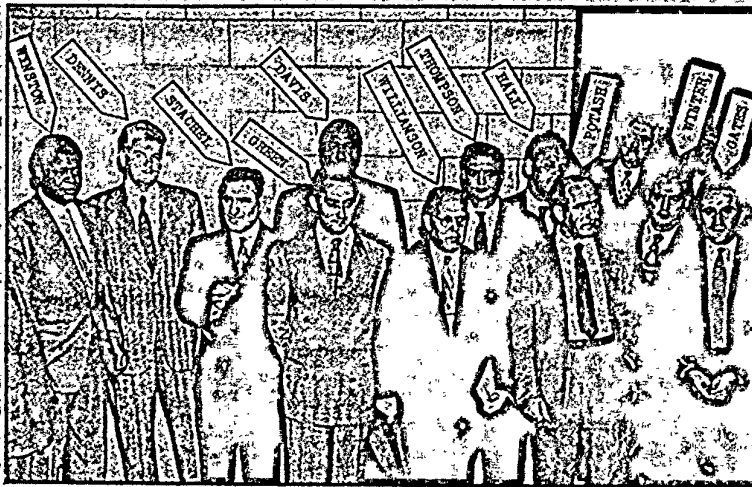

A Jewish Rabbi, Stephan Wise said, "Some call it communism, I call it Judaism." Since the conviction of large numbers of Jewish spies and communists, Russia has been sending out reports of Jewish persecution in Russia. That is a perfect cover-up, but the facts are that Jews still hold most of top jobs in Russia and live in luxury. Other people are nearly all just slaves of the state.

A Jew, Gus Hall, (Real name Mike Halberg) is the head of the U. S. Communist Party today.

AMERICAN COMMUNIST PARTY RUN BY JEWS

Please study closely the picture of the leaders of the U. S. Communist Party when they were arrested for treason in 1949. Seven of them are Jews; Two are Whites and Two are Negroes. The Jews are: Jacob Stachel, Gilbert Green (real name Greenberg), Robert Thompson (real Jew name unknown), Gus Hall (real name Halberg), Irving Polish, Carl Winter (real name Carl Weissberg), John Gates (real name Regenstreif).

NINE OF THE HOLLYWOOD TEN COMMUNISTS WERE JEWS.

Shown above are the convicted Hollywood Ten. All wear \$200.00 suits, all are in the one-to-five thousand dollar a week income bracket. All of them are Yiddish except one.

Remember All communications media are controlled by Jews. Most all movie studios are owned by Jews. NBC-TV, ABC-TV & CBS-TV, and both wire services, UPI & AP, are run by Jews.

Samuel Roth

A JEW TELLS ALL ABOUT HIS OWN PEOPLE !

"JEWS MUST LIVE" will be the most amazing book you have ever read ! Only Samuel Roth, a Jew himself, could reveal these unbelievable facts. The Introduction to the book is Roth's own true story on how he fell out with his own race of people. Roth believed in the Jewish religion, was loyal to Zionism, lived with fellow Jews, first in Poland where he was born, and then in New York City where he lives today. Samuel Roth himself became a wealthy Jew in the publishing business. Then an amazing change came over him. Could it be that Christians do have fully justified reasons for being Anti-Jewish ? Roth comes to the conclusion that makes him the MOST UNIQUE JEW OF THIS CENTURY !

Christians should know the full facts about the true Jewish attitude toward non-Jews. Here is the Chapter by Chapter run-down of what you will learn in this amazing confession to end all confessions.

1) "HOW I CAME TO WRITE THIS BOOK". Roth explains the strange twist of fate which made him decide to "tell all" about his own people. He dedicates the book "to that first generation of Jews who will learn to pronounce my name softly".

2) "THE UPBRINGING OF THE LITTLE JEW". Why do Jews work together to beat the Christian out of every possible dollar ? How are Jews raised by their elders to place money and power first ? Here are the facts, taken right out of Samuel Roth's own childhood.

3) "THE JEWISH PHILOSOPHY" - ALWAYS TAKE". Tells why the Jew worships the 'almighty dollar' and why they dedicate their very lives to cheating and swindling every Christian they come in contact with.

4) "THE JEW AND THE LAND". How the Jews take possession of property. Secrets of Jewish success in land speculation. How property ownership leads to political and financial power.

5) "THE JEW AS A PHYSICIAN". Why the Jews have turned to medicine. He tells 'a hundred and one' different ways a Jewish doctor can cheat and trick a poor sick Christian. How the Jewish doctor will wait until the very last moment before a serious operation to 'extort' more money out of the frightened patient's poor relatives. Roth states that the motto of the Jewish doctor is "I get my money first". You will never trust another Jew doctor after reading this unbelievable but true account.

6) "THE JEW AS A LAWYER". This is the other chief profession Jews have turned to in great numbers. They see a 'quick buck' in pretending to 'defend' the public. Again, Samuel Roth, himself a full-blooded Jew, tells for the very first time in print, just how the Jew lawyer first gains his client's confidence. Then, how he works behind your back with your opposition; how he can convert your estate into his own hands - AND RUIN YOU FINANCIALLY FOR LIFE, and do it legally, and with a smile. The mask of deceit and treachery is ruthlessly ripped off the face of the Jew lawyer in this smashing chapter.

7) "THE JEWS' CONTRIBUTION TO AMERICAN CULTURE". Roth tells us in full detail that the only thing the Jew has given us is Smut, commercialized obscenity, filthy movies, and sexual depravity. He proves that the general lowering of our nation's moral standards has been at the hands of the Jews.

8) "JUDAISM IS NOT A MISFORTUNE TO JEWS ALONE". Samuel Roth tells us the true secrets of the phony, so-called Jewish 'religion'. He proves that the Synagogue is nothing but a hangout for conniving Jews to join hands, to lie,

steal, cheat, swindle and rob the poor innocent Christian. He goes into details how they use Jewish religious ceremony to absolve themselves of any guilty conscious.

9) "THE JEW, THE THEATRE, AND THE WOMEN MARKET". How the so-called entertainment world, dominated by Jews, is used to destroy our Christian moral standards. How the Jew has, for centuries, run international prostitution rings for the debauchery of our young women. How the Jew sees none of the pure beauty in an innocent young girl, but only a way for him to make a fast buck.

10) "THE RAPE OF LONG BEACH, ATLANTIC CITY". Did you ever notice how all the once pleasant holiday resorts are filled with obnoxious Jews? Talking loud, wallowing all over the beaches, leaving everything littered, and dirty. How all the shops are run by cheap Jews whose brazen 'sales technique' is unequalled by any other race in the world. Long Beach, Atlantic City, Miami Beach and many other places were first built up by decent, hard-working Christians. Roth tells, for the first time, how the Jews work to take over and force them out. How beautiful resorts are ruined by the Jews.

11) "THE JEW IN BUSINESS". Perhaps, the most important chapter of all. Roth tells in full detail how the Jew has taken over almost every store on downtown main streets in every City in America. How the Jews work together to force Christians out of business. How they will take over fine and honored Christian business names, then cheapen the products, make enormous profits, while you buy junk that soon breaks down. Often you are buying in a Jewish store with a Christian name and you do not even know you have once again been 'taken' by another slick Jew.

HERE IT IS - THE BOOK YOU HAVE BEEN WAITING FOR! The secrets of the Fantastic rise of the Jew to power in America. How the Jews have conspired behind our backs to overnight become the financial lords of this Nation. We Christians have long been sleeping, but it is still not too late to take back our Country. If enough people would read the shocking truths that Samuel Roth presents in this book, every Christian would walk a mile to trade with a fellow Christian before spending another dollar to fatten up the Jew. All it would take to stop the power-crazed Jew, is to 'cut off his water'. The Jew becomes rich, gains property ownership, political power - AND SLAVERY FOR THE CHRISTIAN. If we stopped buying from Jews all this could be reversed overnight.

It is ironic that a Jew, Samuel Roth, has given us the weapon to awaken our people in his "Secrets of the Jews". This book needs giant, mass distribution. I feel it is the most important book ever published by the National States Rights Party. This rare, and valuable book is nowhere else available. In fact, at this writing, it is not yet even off the presses.

We are announcing this book in advance so as to raise funds to pay off the gigantic printing bills we are incurring. Publication date is set for November 15th. This first printing will be strictly limited, AND MUST BE PAID FOR OUT OF ADVANCE ORDERS AND CONTRIBUTIONS. Your books will be immediately shipped to you the day the printer gives them to us. We absolutely guarantee that this will be the biggest eye-opener you have ever read. There has never been anything like it before. Right from the mouth of the Jew, Roth, who dares to risk his life to tell all. The next printing will be tremendously expanded if you support this book with quick orders. We feel that as soon as you read this stupendous document, you will want more copies for friends in business; relatives, your Minister, etc. Once this book is in wide circulation, we feel it will spread like wildfire. This book could actually trigger the immediate downfall of the Jew in America. Once our friends know the shyster tricks of the Jews, they will not be able to continue to rob and fool our people. We told the printer to run off this limited edition for our loyal NSRP supporters, so that we would then have the funds to print huge numbers for the American public. You will know that we have truly evaluated the powerful impact of this book after you have actually read it.

Please do not wait; this project must succeed. RUSH your order to the nearest mailbox right now. We will then pay off the printer, and rush your books back to you. As soon as you read Samuel Roth's "Secrets of Sharp Jewish Business Practices", you will then be able to use this information to awaken your fellow Christians and we can then begin our campaign to "cut off the water" (financial power) of the Jews.

Faithfully

CHANGES IN IMMIGRATION LAWS WILL DESTROY AMERICA

Are Millions of Asiatics Coming?

**COLORED COULD SOON OUTNUMBER WHITES
—SITUATION DESPERATE—ACTION NEEDED NOW!**

While America struggles with her negro problem, there is yet another question to be solved: if we are to remain in the long run a nation of predominantly white people.

That is the very serious problem of the increasing Asiatic immigration to this country. This is not a new issue, although it has for a long time remained in the background, lost behind the threat of Communist world domination, and the more spectacular European migrations under the Displaced Persons and Refugee Relief Acts.

Absorbed though we have been with momentous domestic and foreign affairs, it is now of paramount importance that the attention of the American people be directed at least to some degree toward what is happening with respect to Oriental immigration and the danger that it presents to us.

THE OLD CHINESE IMMIGRATION

America was first troubled with Asiatic immigration in the 1870's when thousands of Chinese poured into California to work in the mines and on the transcontinental railways. By 1880 there were 105,465 Chinese in the country, most of them concentrated in California. In response mainly to the pleas of Californians, Congress passed an Exclusion Act in 1882, the first of the Chinese Exclusion Acts which prohibited the immigration of Chinese laborers to the United States. As a result, Chinese immigration fell from 39,579 in 1882 to 10 in 1887. This Act was extended several times after an initial period of ten years and finally without time limit by the Act of 1904. The people of the entire West Coast breathed a sign of relief as the danger from Chinese engraftment became at least, for the time being averted.

THE OLD JAPANESE IMMIGRATION

Following the tremendously reduced immigration of Chinese by the Act of 1882, there soon developed a new phase of Oriental migration to the Pacific States, in the form of an enormously increased Japanese immigration. Prior to the barring of the Chinese, there were only 55 Japanese in the country in 1870 and just 148 by 1880. By the year 1900, their number had increased to 24,326. About this time, opposition began to develop to exclude any further Japanese immigrants, especially in the State of California, where the bulk of the Japanese population was concentrated.

In the beginning, the basis for excluding any further Japanese immigration was centered mainly on economic grounds. It was certainly true, with them, as it was in the case of the Chinese, that the white man could not successfully compete with Asiatic labor, which was able to survive under a much lower standard of living.

Organized American labor, under the leadership of Samuel Gompers, soon took cognizance of this situation and fought to bar the continued admission of Japanese labor as the most destructive force ever to threaten the American laboring man.

They Want To Come To America

PRES. JOHNSON'S NEW LAW

President Lyndon Johnson has stated that one of the most important measures facing the new 1965 Congress is his new bill to TOTALLY ABOLISH THE PRESENT "McCARRAN-WALTER

IMMIGRATION LAW", double the present quotas, and give the At-

torney-General the power to decide who can and who cannot come into America. Present Government thinking is that this would be about 1/3 White, 1/3 Negro and 1/3 Asiatic (in other words 2/3 non-White.) These lower races would quickly outbreed the Whiteman in America and our rule of this great land, founded by our forefathers would be at an end.

Interestingly, the opposition of American labor to Japanese labor, was founded not only upon their destructive effect in our labor market and upon our working standards, but because of their exceedingly high birth rate and their ethnic unassimilability in this country.

It was clearly perceived that a continuing influx of Japanese, plus their tremendous birth rate, would eventually combine to inexorably drive the American workingman from employment.

The unyielding stand of American labor on this question is particularly revealed in Senate Document No. 65, 67th Congress, 1st Session (1921) wherein they urged the Congress to enact legislation barring Japanese immigration and their colonization in America. That Document further disclosed the extraordinary fecundity of the Japanese, through the official reports of the State Board of Health of California, which for the year 1919, accorded to them, in that State, a birth rate three times greater than the white. This was so, in spite of the fact that there was at that time, only one adult Japanese female to every three and one half to four Japanese males in the State.

As a consequence of this prodigious reproduction rate, and the continued growth of their immigration into the country, which reached 16,174 in 1920, there was a total of 111,010 Japanese in America by the end of that year. This showed an increase in their population of 86,684 since 1900.

In view of this obviously growing menace to Western United States particularly, the Congress enacted the Immigration Act of 1924, which established the provision that no alien ineligible to American citizenship would be permitted to enter

Despite LBJ Landslide

CALIF. & DETROIT VOTE AGAINST MIXING

Why Barry Goldwater Lost

There are a great number of reasons why Sen. Barry Goldwater lost the election to President Lyndon B. Johnson.

1) Liberal Republicans (Romney, Rockefeller, Keating, etc.) stabbed Goldwater in the back by refusing to support him as head of the ticket.

2) Goldwater played down the race problem and refused to allow his National Committee to show a T.V. movie on Negro race riots and denounced the film as being racist.

3) Goldwater refused to call for the liberation of Cuba in fear of being labelled a trigger happy.

4) Goldwater should never have brought up the subjects of Social

Security, farm programs, TVA, etc. (Only Congress can change these programs).

Sen. Goldwater ran the most dis-organized and most bungling campaign we have ever witnessed. His tour was managed by a Jew named Vic Gold who shoved people around and insulted many Goldwater supporters. One of Goldwater's main writers is the Jew Bert Fireman. On top of all this internal subversion and confusion all the Jew-controlled news media of the nation blasted Goldwater with everything they had. It is clear that the big Jewish financial interests in New York City had decided that Lyndon Johnson could produce the most for them.

Governor Wallace Would Have Carried More States

The only states carried by Goldwater (outside his home state of Arizona) were the deep South states of Louisiana, Mississippi, Alabama, Georgia and South Carolina. These were all strong centers of support for Gov. Wallace. Gov. Wallace also was much stronger than Goldwater in Arkansas, Florida, Tennessee, North Carolina, Virginia and Maryland AND COULD HAVE CARRIED THESE STATES. That is why many of us regretted see-

ing Gov. Wallace withdraw. The Eastern shore of Maryland for instance went heavily for Wallace, but went to Pres. Johnson Nov. 3rd. Wallace stuck strictly to the racial issue, and avoided the subjects of Social Security, anti-poverty, farm programs, etc. Gov. Wallace is much closer to the true feelings of the American people than Goldwater and would have run better in Wisconsin, Indiana and other states where he proved his vote-getting ability.

Rockefeller, Scranton, Romney, Liberals Would Have Done Much Worse

Now that the election is over, all the Rockefeller, Romney and the rest of the vultures are swarming in to devour the Goldwater corpse. They want to "re-organize" the Republican Party and kick Dean Burch out as National Chairman. The facts are that this was an L.B.J. year and none of these "Johnny-come-latelies" would have had any chance at all in beating Lyndon Johnson.

Actually most of the far-left,

so-called Liberals would have fared worse than Goldwater, because they would probably NOT have carried any of the five deep South states that went to Goldwater. This was a Lyndon Johnson year, and most likely, no one could have beaten him. Everything was in Johnson's favor, prosperity is high, full scale war has not broken yet, and most people are willing to give Johnson a chance, since he has been in office such a short time.

Both Jews Running For Senate Lose

PIERRE SALINGER

MISS GENEVIEVE BLATT

Christians Voted Against Democratic Tide

VOTERS OUSTED JEWS

While the election at first glance looks as if the people voted for the left-wing, closer examination proves the opposite. Two Democrats, highly favored to win on the landslide coast tails of L.B.J., LOST BY BIG MARGINS. Pierre Salinger in Cal-

ifornia lost by a heavy vote to Conservative George Murphy. In Pennsylvania the Jewess, Miss Genevieve Blatt lost out to Sen. Scott. These were the only two Jews running for high political office and they were both defeated, despite the fact that this was a democratic year.

ONLY NSRP OFFERS CONSERVATIVES A FUTURE

In the election of Nov. 3, the American people actually had no real choice in choosing between Shady Bird Johnson and Goldwater. The old, corrupt, Jew-controlled two-party system put on another circus to fool the people. America has no hope until the two-party system is repudiated by the voters with the election to power of the National States Rights Party. The Democratic and Republican parties are like two editions of the same Jew-controlled newspaper.

The people want an administration in Washington that will oust Fidel Castro and his communist dictatorship in Cuba. We, the people, can't tolerate a communist missile base only 90 miles from our shores. The Jew-controlled bi-partisan foreign policy protects Castro and says that the communists are still 90 miles away. We patriots say that 90 miles is too close. What is even worse, the reds are already in Washington. Under the corrupt two-party system, Johnson and Goldwater were able to ignore the Cuban threat and deny the people an opportunity to express themselves on that life and death issue.

(Both Johnson and Goldwater favor "liberalizing" our immigration laws which are already too weak, so as to allow a tide of millions of Africans, Chinese and other Asiatics to flood over

We know that he will soon be back at his job with full enthusiasm very soon. NSRP is fortunate in having a very talented group of Party Leaders all living in Chicago. This will soon be a strong hold for the NSRP.

MARYLAND

MARYLAND REPORT

The Maryland NSRP Unit was extremely active during the recent political campaign and distributed over 10,000 leaflets entitled "Civil Rights Bill is a Stab in the Back." It worked day and night awakening the people to the vicious public accommodations bill on the state ballot. The local Party Unit now has its own office, press and will even step up this output soon.

The NSRP has spearheaded a tremendous right-wing revival in this southern-oriented border state.

Since organizational work was begun last August the NSRP has established a reputation for being a dynamic, well disciplined group that, as one Baltimore newspaper stated, "has a sixth sense that can spot racial trouble in the making."

Maryland is expected to have many racial disturbances in the coming summer. In addition, Maryland has a huge Jewish colony within its borders that persists in engaging in activities detrimental to the best interests of the White race.

All members and supporters are asked to contact the Maryland Chapter for information on future meetings and Party activities. Write: P. O. Box 442, Baltimore, Md. 21203.

R. D. Eldridge Led Ky. Campaign

R. D. Eldridge, seated at right attending recent convention, is NSRP's most outstanding organizer.

N.S.R.P. ELECTION RESULTS:

Votes for #1 Third Parties "have still not been officially reported in all States at the time this edition went to press. Thanks to the active drive of Loyal Party members in Kentucky led by Organizer R. D. Eldridge of Dayton, Ohio, a great deal was accomplished in Ky.

Over 100,000 NSRP leaflets

were distributed and large newspaper ads were published in the Ky. press. Mr. Eldridge traveled with Atty. J. B. Stoner and Rev. Connie Lynch to address a number of NSRP White Supremacy rallies there. Reports from Arkansas and Montana will be made in detail later after we receive our vote totals from the Secretary of State.

OHIO

OHIO ELECTION NEWS

One very active NSRP member is Bill Ingram, P. O. Box 22, West Carrollton, Ohio. He recently ran for the Ohio state legislature. Campaigning on an open right wing racist platform Bill Ingram waged an active campaign. He had no money for newspaper ads or radio spots, but did print and circulate 16,000 pieces of campaign literature.

He was not elected this time to the state legislature, but did

rack up 8,047 votes. You will hear more of this young man and he may well be elected next time. Bill commented on his campaign: "The reason I lost was not because people didn't agree with me, but because of the publicity blackout against me. One out of every two people who read my literature voted for me. Had I been able to get out more literature (or bought newspaper space), I now would have a seat in the Ohio State Legislature."

Here's Proof Negro Integrationists Want To Marry White Women

MR. & MRS.

Va. Mixed Marriage Case May Go To Supreme Court
A white man and his Negro wife, barred from their Virginia home six years, launched a new legal attack on bans against mixed marriages which could reach the U. S. Supreme Court and result in a historic decision. Legal experts said that the case of Richard Perry Loving and his wife, Mildred, could provoke the monumental decision outlawing the rigid bans in many states. Convicted six years ago of violating Virginia's ban on mixed marriages, Loving was forced to leave Caroline County. Sentenced to jail for a year each, the couple was spared imprisonment on condition they not cohabit and their marriage be declared null and void. Since then the couple moved to Washington, D. C. Still determined to legalize their marriage in Virginia, Loving filed a complaint in the federal court of Richmond, Va., insisting upon the right to visit his home county without arrest. He charged that the Virginia laws were "totally against the morals and ethics of our national and international society and without foundation and valid purpose."

"The association of the Races in public schools leads to love and marriage," Walter White, late Executive Secretary of the NAACP, in an interview with U. S. News & World Report.

"Integration will result in White girls being associated with Negro boys. Naturally intermarriage would result. We of the NAACP are committed to a program of full integration."—Albert A. Kennedy, NAACP lawyer, to the Orangeburg, S. C. Times and Democrat.

March 30,

YEAR I Post-Jew-Christ ERA

CODE TERMS OF THE CRYPTOLOGISTS,
DISTORTERS, PERVERTS AND HATEMONGERS

ACADEMIC FREEDOM:

License to the masters of the secret code to force the teaching and studying of filth, perversion and subversion. The N.E.A., Professor Counts and its other professors call it "The New Social Order." However, in the countries (including their artificial state) controlled by the cryptologists, teachers do not have "academic freedom."

ASSIMILATION -
INTEGRATION

On March 30, 1965, the Worker (page 5) says that assimilation of negroes and whites is best for the interest of America in order for America to become a Communist country. Freiheit, the largest Communist newspaper in the world (foreign language) repeats this story with the change inserted that assimilation and integration of only Gentiles is better for America to make America a Communist country.

AUTHORITY:

Rule of T(AU) Tetra, its Augean filth.

BIGOT:

One who resists the crypt "boys."

BOOK BURNERS:

The code name for those who object to filth put on library shelves by the masters of the crypt, who have first burned the decent books produced by the culture of the West.

BROTHERHOOD:

The acceptance of government by perversion, cannibalism and the masters of the code.

CAPITALISM:

The civilization of the West.
Capitalism is evil - sin;
Communism is good - pure.

CODE TERMS

CAPITALISM HAS WITHIN
IT THE SEEDS OF ITS
DESTRUCTION:

The West is so tolerant it allows spies like White (maiden name Weis), subversives, perverts and outlanders to rule and destroy it.

CHRIST:

The first Communist.

COMPASSION:

Moral nihilism.

COLONIES:

Dirty words applied to the West. The subversives have democracies and republics.

CONFERENCES AND
DISCUSSION:

Submission to Communism.

CREATED EQUAL:

Cereated - vegetable.

DEMOCRACY:

Communist states, as the People's Democracies of Poland, East Germany and North Korea.

EUCUMISM:

The unity of the con men, top hierarchy of the churches who do not believe what they take money to preach. Since the public is wise to the fact that the Ten Trinity hierarchy of the churches in this post-Jew era are thieves, these thieves must unite.

EDUCATION:

The rule over the West by the sophists (liars) and international criminals of the crypt who promote men like Dr. Castro and phony Phil, who have no more connection with knowledge than bingo has with mathematics.

GOVERNMENT MONEY:

A Communist lie. There is none. The government has only what it steals from us to give to others "according to their need."

ISM - IST - ISH

Code terms describing the authority by which the crypt "boys" rule the cattle. If you have one, read no farther, for the cryptologists have stolen your mind and soul.

CODE TERMS

LAW DAY U.S.A.:

Red May Day U.S.A. The celebration of the success of "Operation Government" and "Operation Law."

A. LINCOLN:

Red Carl Sandberg according to Rubloff.

LOVE:

A column in the "Worker."

MERCENARY:

Any patriot. Tito's judge, the distorters' hired man, says that they (meaning the patriots) "do what they do for money." The distorters' press refers to patriots in the Congo and elsewhere as mercenaries, although Hiss, Warren, White (maiden name Weis) always take their gelt and their Commissioner Landis not only stole his pay but was a tax cheater as well as a tax thief.

NURENBERG:

The lynching bee at Nurenberg, planned by White (Weis) and our Communist rulers who at Nurenberg proclaimed the law of "Lex Talionas." One of the lynchees by our Communist rulers was an invalid who had not for over ten years held any office, written or spoken a word in public, but he had exposed the cryptologists.

OPERATION MENTAL HEALTH:

Worship of Osiris, Psyche or TAU as conducted by convicted criminals such as Dr. Sobol and his wife. These criminals have imprisoned thousands of Americans in Communist "Operation Mental Health." Among these criminals we find a Dr. "Smith" (maiden name Kanter), the criminal who tried to railroad the General; and many others, including the criminals who railroaded our greatest living American writer, Ezra Pound, because he had opposed Communism.

PEACE:

Submission to the criminals of the crypt.

Biv 2

CODE TERMS

POLICE BRUTALITY:

Law enforcement.

PROFIT:

Profit is criminal.

PROPOGANDA:

The keepers of the crypt use propoganda as follows: Race, Religion, Revenge and Remorse. Code Boy Boaz and other criminals of the crypt say there "ain't no race except for the Masters of their Code" and are supported in this statement by the hierarchy of the churches who assert this in the name of their God, what a funny God. Remorse and revenge are taught by the Communist front men and the keepers of the crypt, this being the religion of the hatemongers who only HATE WESTERN CIVILIZATION.

TELEVISION:

Ben Gurion prohibited television in Israeli because he said "It is demoralizing to the people."

TRIGGER HAPPY:

Our Communist rulers in the 40s and 50s made and executed the plan to make the American taxpayer pay the billions of dollars required for research for the atomic and hydrogen bomb and give the product to our ally, Russia. These traitors were caught by patriotic Americans while they were accomplishing their criminal conspiracy. They then hurled these dirty words at Americans who opposed their criminal conduct and they found it so effective that they continue to use these dirty words against any American patriot.

TRUTH:

Anything effective in promoting Communist distortion and the plans of the crypt "boys."

UTOPIA:

Communism.

VIOLENCE:

Resistance to Communism.

WAR MONGER:

Trigger happy, or anyone criticizing our ally, Russia, or the distorters, subversives, perverts or cryptologists.

To: All members of Congress
Subj.: Private firearm registration, prelude to confiscation?

Such a variety of firearm bills are in the legislative hopper, that in all probability one will bob to the top with the possibility of another float-up stuck to a Great Society bill. Mass hysteria for personal disarmament was triggered by the assassination of a president. This catalyst-by-chaos could have alone been cause of high enough priority for international communism to have assigned one of their trained overt agents to assassinate; counter-assassination by a covert agent was expected and customary.

Abundant anti-gun propaganda has been perpetrated upon the naive by the mass media "conning-in-concert". With much less than equal time, I offer two points in rebuttal:

- 1) Registration of firearms followed by confiscation, historically, has been the consistent pattern in countries fallen to communist conquest. (Recall that Castro's first order of business upon marching triumphantly into Havana was to disarm the populace.)
- 2) The Supreme Court has sought to infringe on the "right of the people to keep and bear arms" under the Second Article of the Bill of Rights, but that law of the case is not the law of the land.

Your attention is kindly directed to the two boxed items in exhibit below that are here relevant. Should you be curious to read in its entirety, you will see the communist plot for USA, 1965 written 46 years ago. The entire enemy plan for us is now operational except the capstone----anti-gun legislation.

LBJ Reconstruction Era Arrives

Jews Entertain King's Marchers

The so-called 'red stars' of Hollywood turned out in full to entertain the Selma to Montgomery marchers. Here is a good list of those who are not interested in watching the next time they are on T.V. or in a movie. The sponsors also should be informed, that they are not selling us their product when they pay these subhumans to perform on T.V.

The Jews were Tony Bennett, Leonard Bernstein, Shelly Winters, Bobby Darin and Sammy Davis, Jr. (a so-called converted Jew.) Also helping agitate were Dick Gregory, Harry Belafonte and our U. N. under secy., Ralph Bunche.

Orgies Occur During March

The true face of the Martin Luther King, Selma to Montgomery march is now coming to light. The lowest elements of society were attracted to this spectacle from as far away as Canada and England. Most all were beatniks, peace creeps and Communists. Numerous incidents of sexual intercourse were reported on the grounds around the Selma Negro church. A number of cases were reported every night, of Negro men lying on the ground having sex relations with White women demonstrators.

Associated Press writer, Kelso Sturgeon of Atlanta stated that he personally witnessed these public acts of sexual debauchery. Sturgeon said, "I personally saw at least three racially mixed couples engaged in sexual intercourse on the ground." When the demonstrators reached the capitol, two "Birmingham News" reporters charged they saw a number of racially mixed demonstrators lock arms and undress on the sidewalk in front of the State Capitol. Even pro-negro Selma police chief Wilson Baker stated: "There very definitely was many incidences of open petting, drinking and love making going on between mixed couples." There could be no arrests in these cases, because the 'demonstrators' were being protected by the FBI and L.B.J.'s armed federal troops.

SHOCKING DESECRATION!

CONFEDERATE FLAG BURNED BY SELMA DEMONSTRATOR

MRS. LIUZZO HAD ARREST RECORD

The nation's press has tried to build up Mrs. Viola Liuzzo as a Saint. The truth of the matter is that she has been a racial agitator and trouble maker for some time. She has participated in CORE demonstrations and other street activity in Detroit.

Last year Mrs. Liuzzo was arrested and brought to trial in Detroit for violating Michigan's school compulsory law. She was found guilty of keeping two of her children out of school. (Thomas Liuzzo 13, was kept out of school for 43 days and Anthony 10, for 47 days.) Judge Joseph A. Gillis fined her \$50 and gave her 1 year's probation for violating the law. He also denounced her as a trouble-maker.

This record proves that Mrs. Liuzzo was extremist, who came to Alabama to cause trouble. She proved herself an unfit mother by trying to prevent them from obtaining an education, and by coming to Alabama and driving young Negro men around in the front seat of her car. Who really shot and murdered this woman is not known. Lyndon Johnson certainly has violated the Constitutional rights of the four young men arrested by condemning them before they even have a trial.

Mrs. Liuzzo

From what we know of the case, the FBI has no evidence on these 4 White men. We feel these men will be found innocent when tried before a impartial jury. It is our belief that a Negro may have killed Mrs. Liuzzo. She may have resisted sexual advances of some black buck, and he may have violently turned upon her. Her death has been a great help to the Communist propaganda conspiracy—it is possible that she was killed on purpose by paid communist agents so that the deed could be blamed on innocent Southern Whites.

NEGROES TO SOON RULE OVER WHITES: NEGROES ANNOUNCE THEY WILL RUN BLACK CANDIDATES FOR LOCAL PUBLIC OFFICES.

Civil War days are back again. The heavy hand of the federal government is out to quash the freedoms and rights of the Whiteman in America. Lyndon Johnson's despicable actions prove that he hates the White race so badly that he wants to force Black rule over the Whiteman in America today. Lyndon Johnson openly supports the communist agitator, Martin Luther King, (with 68 red front citations).

Johnson has endorsed professional red agitators who have come into the South to foment chaos and disrupt peaceful communities. Martin Luther King has ignored orders of the federal court "not to march, but we Whites are supposed to obey such orders. In other words, the hands of the Whiteman are tied by the federalists, but the Black revolutionists are allowed to do anything they wish.

King actually is giving orders to the federal government and telling them what to do. Never before in history has our nation been dictated to by a street mob. Anarchy is taking over the country and Lyndon Johnson is telling the Black mobs, "Keep it up, what you are doing is right, the federal government is behind you all the way."

NEGROES WANT TO TAKE OVER

Negroes are planning to elect their own kind to political power soon. In Tuskegee, Alabama, Negroes outnumber Whites by 3 to 1. With King's voter registration drive, the city now has more Black voters than White. In the last election, two negroes were elected to the Tuskegee city council, three to the city planning board, two as Justices of the Peace.

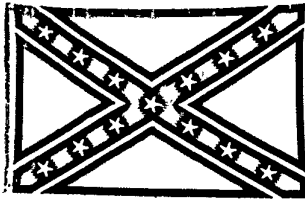

The Black voting majority is now so strong that Whites fear that in the next election Negroes will be elected to all city council seats and mayor. They fear that all judges and the county Sheriff will be negroes. Life under total Black rule will be intolerable. Whites will simply have to sell their property and move to areas where there is still a white majority. Blacks outnumber Whites by 2 and 3 to 1 in the Alabama counties of Lowndes, Wilcox, Sumpter, Perry and Dallas.

In many other Alabama counties negroes are 50% of the population or slightly more. The same is true in large parts of Mississippi, Louisiana, Georgia, South Carolina, North Carolina, and Virginia. THE LYNDON JOHNSON VOTING BILL WILL PLACE NEGROES IN THE MAJORITY AS REGISTERED VOTERS AND FORCE WHITES UNDER BLACK RULE.

What kind of justice can a Whiteman expect under black judges, with black juries and jails run by negro sheriffs. Lyndon Johnson is taking us back to the days of the first Reconstruction era. Whites will have no rights - the Blackman will rule supreme. Johnson is actually moving race relations back 100 years, because we are going to have to fight as our forefathers did to throw off this despotic black rule. WE WILL NEVER SURRENDER TO ANY FEDERAL TYRANT!

We believe as did Patrick Henry, "GIVE US LIBERTY OR GIVE US DEATH." It is far better to fight as a hero and patriot, than live a miserable life kissing the boots of black tyrants and federal carpetbaggers. NOW IS THE TIME FOR ALL WHITE MENT TO STAND UP FOR WHITERIGHTS, DOWN WITH ALL RACE-MIXERS! DOWN WITH ALL COMPROMISERS AND SELL-OUT (CHAMBER OF COMMERCE ELEMENTS.)

Secrets Of The Jewish Bible Exposed

Gems From The Talmud

"Marriages taking place among Gentiles have no binding strength, i. e., their cohabitation is just as the coupling of horses, therefore their children do not stand as humanly related to their parents." (Law 88).

"MEDINA IVRIT" (The Jewish State). Prague, No. 33, Sept. 27, 1935:

"In our hearts reigns but one sentiment. We command our hearts to banish all other emotions and to let themselves be led by that unique sentiment: that of revenge. Our people have now but one desire: TO DESTROY, RANSACK, BOYCOTT!"

KILL: In a 1931 booklet by Abraham L. Reiskind of New York, entitled "My Conception of God," the Jewish author admits: "There is a passage in the Talmud which is exceedingly bitter against the Gentiles, namely: 'The BEST of the Gentiles—KILL!'"

"A thing lost by a goy may not only be kept by the man who found it, but it is even forbidden to give it back to him."—Sulchan Aruch, Choshen Hamispah, 268, 1.

"The robbing of a Gentile is allowed as they are not our brothers" (Baba mezia 61).

"Should a Jew inform the goyish authorities that another Jew has much money, and the other will suffer a loss through it, he must give him remuneration."—Sz. Ar. Ch. Ha., 388.

"If there is no doubt that someone has thrice betrayed the Jews or caused their money to pass to the goys, a means and wise council must be found to do away with him."—The same.

"Although it is not a direct obligation for a Jew to kill a Gentile with whom he lives in peace, yet, in no case, is he allowed to save a Gentile's life." (Law 50).

Klatzkin, Jew, Zionist leader in Der Jude, 1918: "Only the Jewish Code rules our life. Whenever other laws are forced upon us, we regard them as dire oppression and constantly dodge them. We form in ourselves a closed juridical and business corporation. A strong wall built by us separates us from the peoples of the land in which we live—and behind that wall is a Jewish State."

CALIF. & DETROIT VOTE AGAINST MIXING

Why Barry Goldwater Lost

There are a great number of reasons why Sen. Barry Goldwater lost the election to President Lyndon B. Johnson:

1) Liberal Republicans (Romney, Rockefeller, Keating, etc.), stabbed Goldwater in the back by refusing to support him as head of the ticket.

2) Goldwater played down the race problem and refused to allow his National Committee to show a T.V. movie on Negro race riots and denounced the film as being racist.

3) Goldwater refused to call for the liberation of Cuba in fear of being labelled "trigger happy."

4) Goldwater should never have brought up the subjects of Social

Security, farm programs, TVA, etc. (Only Congress can change these programs).

Sen. Goldwater ran the most dis-organized and most bungling campaign we have ever witnessed. His tour was managed by a Jew named Vic Gold who shoved people around and insulted many Goldwater supporters. One of Goldwater's main writers is the Jew Bert Fireman. On top of all this internal subversion and confusion all the Jew controlled news media of the nation blasted Goldwater with everything they could invent so that the big Jewish financial interests in New York City had decided that Lyndon Johnson could produce the most for them.

Governor Wallace Would Have Carried More States

The only states carried by Goldwater (outside his home state of Arizona) were the deep South states of Louisiana, Mississippi, Alabama, Georgia and South Carolina. These were all strong centers of support for Gov. Wallace. Gov. Wallace also was much stronger than Goldwater in Arkansas, Florida, Tennessee, North Carolina, Virginia and Maryland AND COULD HAVE CARRIED THESE STATES. That is why many of us regretted see-

ing Gov. Wallace withdraw. The Eastern shore of Maryland for instance went heavily for Wallace, but went to Pres. Johnson Nov. 3rd. Wallace stuck strictly to the racial issue, and avoided the subjects of Social Security, anti-poverty, farm programs, etc. Gov. Wallace is much closer to the true feelings of the American people than Goldwater and would have run better in Wisconsin, Indiana and other states where he proved his voting ability.

Rockefeller, Scranton, Romney, Liberals Would Have Done Much Worse

Now that the election is over, all the Rockefeller, Romney and the rest of the vultures are swarming in to devour the Goldwater corpse. They want to "re-organize" the Republican Party and kick Dean Burch out as National Chairman. The facts are that this was an L.B.J. year and none of these "Johnny-come-latelies" would have had any chance at all in beating Lyndon Johnson.

Actually most of the far-left,

so-called Liberals would have fared worse than Goldwater, because they would probably NOT have carried any of the five deep South states that went to Goldwater. This was a Lyndon Johnson year, and most likely, no one could have beaten him. Everything was in Johnson's favor, prosperity is high, full scale war has not broken yet, and most people are willing to give Johnson a chance, since he has been in office such a short time.

Both Jews Running For Senate Lose

PIERRE SALINGER

MISS GENEVIEVE BLATT

Christians Voted Against Democratic Tide

VOTERS OUSTED JEWS

While the election at first glance looks like the people voted for the Leftwing, closer examination proves the opposite. Two Democrats, highly favored to win on the landslide coast tails of L.B.J. LOST BY BIG MARGINS. Pierre Salinger in Ca-

lifornia lost by a heavy vote to Conservative George Murphy. In Pennsylvania the Jewess, Miss Genevieve Blatt lost out to Sen. Scott. These were the only two Jews running for high political office and they were both defeated, despite the fact that this was a democratic year.

ONLY NSRP OFFERS CONSERVATIVES A FUTURE

In the election of Nov. 3, the American people actually had no real choice in choosing between Shady Bird Johnson and Goldwater. The old, corrupt, Jew-controlled two-party system put on another circus to fool the people. America has no hope until the two-party system is repudiated by the voters with the election to power of the National States Rights Party. The Democratic and Republican parties are like two editions of the same Jew-controlled newspaper.

The people want an administration in Washington that will oust Fidel Castro and his communist dictatorship in Cuba. We, the people, can't tolerate a communist missile base only 90 miles from our shores. The Jew-controlled bi-partisan foreign policy protects Castro, and says that the communists are still 90 miles away. We patriots say that 90 miles is too close. What is even worse, the reds are already in Washington. Under the corrupt two-party system, Johnson and Goldwater were able to ignore the Cuban threat and deny the people an opportunity to express themselves on that life and death issue.

Both Johnson and Goldwater favor "liberalizing" our immigration laws which are already too weak, so as to allow a tide of millions of Africans, Chinese and other Asiatics to flood over

(Continued on Page 2)

MORE WHITE VICTORIES AT THE POLLS

On Sept. 1st, the city of Detroit voted down a race-mixing housing ordinance by a vote of 136,671 to 114,743. The White people won this election against the combined opposition of the Council of Churches, NAACP, CORE, organized Jewry, the city's newspapers, city office holders and so-called civic groups.

Thus, despite all this combined pressure for race-mixing, and over the combined Negro and Jew bloc-votes, the White people still won! This led to the utter consternation of the race-mixers who simply couldn't understand why they could not deliver the stronghold of Walter Reuther for those race-mixing city ordinances. The simple answer is that White people, from coast to coast, DO NOT WANT NEGROES LIVING NEXT DOOR TO THEM!

Just recently one of the most Liberal states in the Union, Washington, had two cities vote on race-mixing housing ordinances. Despite the fact that they have very few Negroes, Seattle voted against race-mixing by a 2 to 1 margin and Tacoma voted against it by 3 to 1. Many of these same segments of our population who may like the welfare, "Great Society" Lyndon Johnson promises, still do not want the Negroes stuffed down their throats.

More White racist victories were racked up in California, with the huge vote for Proposition 14, which repealed all of the state's race-mixing laws.

DICKINSON'S EXACT WORDS FROM THE U.S. CONGRESSIONAL RECORD

MARCH ON MONTGOMERY—THE UNTOLD STORY

The SPEAKER pro tempore. Under previous order of the House, the gentleman from Alabama (Mr. Dickinson) is recognized for 1 hour.

Mr. DICKINSON. Mr. Speaker, last week Alabama witnessed the climax of weeks of civil rights activities in my State. It was a week which brought literally thousands of men and women of many races, colors, and creeds to participate in what has been widely considered as a kind of holy crusade for human rights. During this period there were scores of confrontations between demonstrators and law enforcement agencies—resulting in many arrests, injuries, and deaths. From all of this a completely distorted picture of the State of Alabama has been painted. It is a picture of a place peopled by vicious racists whose only joy is found in the suppression of the Negro race; in the denial of the Negro's right to vote and to participate as a first-class citizen of his State and his Nation; a place where the Negro's search for simple human dignity must go forever unrewarded; a place where the Negro must live out his days in constant terror of police brutality and bombs that explode in the night.

Mr. Speaker, this is an image of Alabama widely accepted as accurate by many people in this Nation and the rest of the world today. It is, however, an image which has been deliberately, knowingly, and purposefully contrived. I have pointed this out before on this floor. It is, in short, but a part of an effort to divide and to conquer this Nation—and if this effort goes unchallenged, it may well accomplish its purpose.

There is a story here, however, that has been untold and, for the most part, is unknown. While I have but one small voice and what I say here may go unheard, I would be remiss in my duties if I did not speak the facts for all of America to know—and the facts which I am about to relate are true and I can substantiate every fact. Mr. Speaker, if you think these facts are vile and obscene and are unpleasant to hear, I agree. But think what it is like to have witnessed them and had them occur in your community.

First and foremost there was not one big group of moralists and Negro sympathizers that invaded Selma and marched on Montgomery. There were four distinct and usually identifiable groups intermingled and participating in a common effort but each for its own motives.

This has been characterized by some and depicted as a type of holy crusade. Let me read you a circular actually handed out to the marchers by some of those participating in the march:

WELCOME FREEDOM MARCHERS TO MONTGOMERY
BULLDOZER

(Produced by Paul Moscovits and Peggy Anne)

GIRLS—GIRLS—GIRLS—GIRLS—GIRLS

Entertainment and refreshments furnished free to all freedom marchers by the Holly-

wood 10 Committee in cooperation with the Good Committees To End Bigotry and Censorship.

(Note to ministers: We appreciate the cooperation given this spectacular, modern adventure in person-to-person entertainment by some of you who have cast off the chains of the past. Several of you, including perhaps the leader himself, are trying to make you look too pious and too old-fashioned. Please prevail upon the holdbacks to let the show go on in all of its unrestricted glory, fun, frolic, and warmth.)

Next 9 will be pitched each evening ahead of the march, and the gala burlesque review will begin when the crowd arrives. Let every good man arrive.

(Note to southern girls: Come join in the fun! If you can cast off the old-fashioned ideas, whether of racial bigotry or medieval morality, this is the greatest free-education beckons you. Come, meet Paul and the boys.)

Is this circular out of character with the rest of the march? Look at the participants.

One group was the Alabama Negro who participated to help secure rights and privileges which he felt had been withdrawn from him illegally. And there are many instances where this has been so—especially historically. This is not universally so in Alabama, however—only in isolated areas and none of these areas recently.

A second group are the do-gooders—those from outside our State who have no personal interest or involvement but who, out of compassion for those whom they are convinced need help and, although misinformed and misguided as to both the full facts and how those whom they seek to help can best be helped, come and participate in the marches, demonstrations and even serious civil disturbances. This group, for the most part are serious, sincere, educated people such as the clergy, nuns, teachers and other professional people. While their purpose may be noble, to a large extent they defeat their own aims because they worsen the condition they seek to improve. Let me hasten to add, however, that not all men who profess to be men of God and who don the clerical garb participate for altruistic reasons. Many are the type Jesus had in mind when he said:

And when thou prayest, thou shalt not be

as the hypocrites are: For they love to pray standing in the synagogues and in the corners of the streets, that they may be seen of men. Verily I say unto you, they have their reward. But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to the Father which is in secret; and thy Father which seeth in secret shall reward thee openly.

We of our State do not condemn the first group. Perhaps we would react similarly in like circumstances. We can recognize the good intentions of the second group even though we know their method is wrong.

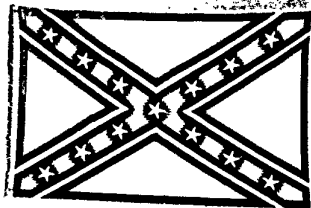

These two groups, however, make up only a small part of the total effort. Both of these groups are in fact being victimized and used as unwitting tools of the other two groups involved. In the final analysis the Alabama Negro will not achieve what he seeks by the means he now employs, nor will the do-gooders have helped him permanently.

The third group, also a tool being used by the fourth group, are human fleas: adventurers, beatniks, prostitutes, and similar rabble. They flock to the standard of civil rights because this clothes them with a morality and a purpose which they otherwise lack. The fact is that they are recruited to be full-time demonstrators. They are promised \$10 per day, free room and board and all of the sex they want from opposite members of either race. Free love among this group is not only condoned; it is encouraged. It is a fact and their way of life. Only by the ultimate sex act with one of another color can they demonstrate they have no prejudice.

Do I exaggerate? The pamphlet I have read at the beginning of my talk was distributed among the marchers from Selma to Montgomery. Drunkenness and sex orgies were the order of the day in Selma, on the road to Montgomery, and in Montgomery. There were many—not just a few—instances of sexual intercourse in public between Negro and white. News reporters saw this—law enforcement officials saw this, and Mr. Speaker, photographs were taken of this. I am told. I have not seen the actual photographs, but they are being processed and compiled.

Atty. J. B. Stoner

Will Tour West Coast

NSRP LAUNCHES VAST NORTHWEST TOUR

Attorney J.B. Stoner, Vice Chairman of National States Rights Party will begin an important speaking tour of the far Northwest on June 4th. By the time this newspaper reaches you, Lawyer Stoner will be in the middle of his tour. A full picture report will appear in the July edition of "The Thunderbolt." This will be a very important new drive which will combine legal action along with political action. The NSRP has over and over again proven itself the action Party of the Right Wing. Atty. Stoner will board a Delta Jet in Atlanta, Ga., at 11:40 A.M. June 4th. He will arrive in Vancouver, Canada at 9:10 P.M. the same day. He will be greeted at the air port by David Stanley and other Party members. Mr. Stanley informs us that at least 20 representatives of the press and T.V. will also be on hand to interview Mr. Stoner. The object of this visit will be to lay plans to fight the Canadian Governments cowardly attack on "Freedom of The Press" when they banned "The Thunderbolt" newspaper from being mailed into that country. The spineless liberals running Canada surrendered to Jewish pressure, and became the first and only country outside the Iron Curtain to ban our newspaper. Atty. Stoner will register a stern protest against this un-Constitutional action with the Canadian Government. David Stanley has scheduled three speakings for Atty. Stoner, plus numerous interviews, etc.

J. B. STONER
ATTORNEY AT LAW

From there Atty. Stoner will be driven by local supporters to Spokane, Wash. Mike Cameron (NSRP Northwest co-ordinator) will sponsor Atty. Stoner who will speak to supporters in that area. Mr. Cameron will bring local members to this meeting from the Western parts of Montana.

From there Atty. Stoner will go to Seattle, where he will speak June 11th. Then he will speak in Takoma, Wash., the following day, June 12th. From there he will go down to Portland, Oregon for a meeting on June 14th. The next visit will be in San Francisco where he will meet with local Patriots June 16th.

REMEMBER FRANK L. BRITTON

Frank L. Britton was the Editor of "The American Nationalist", a well known right wing publication during the 1950's. Mr. Britton has been in Folsom prison (in Calif.,) almost five years now on the insignificant charge of "attempting to bribe a police officer." The case began over a minor street infraction, which the court dismissed. It was then charged that Britton tried to give the arresting officer some money not to take him in. (This is like giving a policeman five dollars not to give you a traffic ticket.) Anyway, Frank L. Britton was given 1 yr to life as a result. Most men would be released within a few months on such a charge. BUT BRITTON HAS NOW BEEN IN FOLSOM MAXIMUM SECURITY PRISON FOR ALMOST FIVE YEARS, WITH NO RELEASE IN SIGHT. The last parole officer to review his case was a Negro, who turned Britton down. Armed robbers and other dangerous criminals have been released in much shorter time than what Britton has already served. Atty. Stoner will visit with Mr. Britton in prison on June 18th and we hope that arrangements can be made at that time for a new hearing. It is our goal to reopen this case in the federal courts. Atty. Stoner will handle the appeal. We will give you a more detailed report on this case when Mr. Stoner returns. From there Atty. Stoner will go to Los Angeles for a series of meetings. This is a stronghold for NSRP and Atty. Stoner hopes that a Headquarters

can be opened in Southern Calif. San Bernardino and San Diego will be other stops during Atty. Stoner's trip. We feel that our Movement is needed more now in the West Coast than ever before. This entire tour will take about a month and a half. Atty. Stoner will be the guest of Mr. Robert F. Anderson while in Los Angeles. It is important that this speaking tour be a big success and we know that local supporters will do all in their power to see that it is. This is but a part of the over all national drive of NSRP. We plan more speakings and other action moves this Summer. To step up our program, we need your help!

"THE KEY TO THE MYSTERY"

Back during the 1930's, a Canadian Patriot named Adrian Arcand did a most thorough research study on Judaism, and its effect upon the Whiteman's race, nation and faith. He discovered startling admissions from the Jews on their secret activities against Christians. Some of the very very enlightening Chapters in this great collection of documents are: "The Jews Are a Race And Not a Religion", "Why Jews Cannot be Like Other People," "How The Jews Brought On The Russian Revolution", "Amazing Confession of a Jewish Banker," "Quotes From The Secrets of The Talmud", "A Rabbi Speaks and Justifies Anti-Jews," "Jews, A Race of Parasites," etc., etc. This is just a portion of this more than 10,000 word document. Nothing else like it has ever come into our hands. During World War II, "THE KEY TO THE MYSTERY" was suppressed and copies confiscated by the Canadian Government. After the war, a publication in Chicago called, "Women's Voice", edited by Mrs. Lyril Clark Van Hyning, republished "The Key." Her supply soon was exhausted. We have just this past week located a man who had a small quantity of this rare reprint, locked up in a trunk. We now have this limited number of copies. (Perhaps the last in existence ?) We will let our loyal supporters have them as long as they last. All who make a contribution, using the form below, will be mailed a copy for your own collection of valuable documents on the Jews. We hope that some outstanding Patriots can give \$100 or more to sustain and expand the work of the NSRP. Most contributions are in the range of \$20, \$10, \$5, \$3, \$2 and \$1. All of them add up to what is financing the NSRP Movement, and all are deeply appreciated. The copy of the rare, "KEY TO THE MYSTERY" is but a token of our appreciation for your support.

Please fill out the coupon below and rush it in today, anything that you can afford to give will help. Keep fighting.

VOTE BILL TO PLACE NEGROES IN POWER

TERROR BEGINS WHEN NEGROES ARE ELECTED JUDGES, SHERIFFS, MAYORS AND POLICE CHIEFS.

LBJ Sells Out Dominican Republic

The developments of the past few days have been shocking to most students of the Communist conspiracy. Several weeks ago, Communist, Castro backed revolution broke out in the Dominican Republic. They were named "The Rebels". They immediately set out rounding up Anti-Communists and there were on the spot public executions in the streets. Quickly the Christian-controlled military organized the people in the country-side. This force for freedom is called "The Military Junta". It was not long until the Junta forces had forced the Rebels back into the city. With the Army, Navy and Air Force united and with the Christian peasants from the outlying areas of the country, the Rebels would soon be wiped out. Then the United Nations demanded a cease fire. The United States threatened intervention with our troops already there if the Junta did not agree to the truce with the Communist-backed Rebels. Next President Johnson announces that U. S. troops would not allow the Junta Forces to attack and finish off the Rebel forces. The Rebels have been

Picture is vivid example of what our people will be forced to suffer once the balance of power is changed. It is vital that we stay in control of our own communities.

compressed back into a tiny area of Santo Domingo which is only eight blocks wide and 12 blocks long. It would take the Junta only one day to defeat what is left of the Rebels.

Lyndon Johnson is now demanding that the Junta Forces which control the rest of the country now make peace with the Rebels AND TAKE THEM INTO A COALITION GOVERNMENT.

It is almost impossible to believe that Johnson would snatch victory out of the hands of the Junta at the last possible moment and demand that they (the victors) now lay down their arms to the Rebels. History has proven that EVERY NATION THAT HAS EVER JOINED WITH COMMUNIST FORCES IN COALITION GOVERNMENTS HAS ENDED UP A RED SLAVE STATE. It is almost impossible for us to comprehend the treason and disaster that is taking place in the Dominican Republic while our sons are dying in the jungles of Viet Nam. It now looks as if our greatest threat in the fight against communism is not in Asia, but in Washington, which seems to turn against all who really want to fight to destroy Communism.

The dark days of Reconstruction are about to once again descend over the White South. LBJ, Humphrey, & Katzenbach despots will soon be sending federal voting registrars into the South to take over local voting machinery so that vast hordes of Blacks can be registered to vote. This is an act of the Communist conspiracy to place Martin Luther King and his mob in power over the Whites of the South. The White man must now look back to Nathan Bedford Forrest and our brave and courageous forefathers who fought under his command against Race mixing. They broke the back of the first Reconstruction. We must fight until we break the back of the federal dictators. They are out to not only destroy our Heritage and Traditions, but to actually destroy our White race through mongrelization with the Black race. Stand with us now and fight to stop the Com-

gry. They are our most deadly enemy. They live with but one object in mind: DESTROY THE WHITEMAN'S WAY OF LIFE IN THE SOUTH AND PLACE THE BLACK MOBS IN POWER. If you are against this, stand up with us today and FIGHT to save the White Race, DOWN WITH ALL RACE MIXERS.

LBJ's CIVIL Rights Voting Bill will give Negroes political power over Whites for the second time in the history of the South. The chart on this page proves conclusively that if all Negroes of voting age are actually herded to the polls and voted, every Southern state that went to Goldwater in '64 would have been carried by President Johnson. Many Americans do not realize the tremendous number of Negroes that live in the South.

There are many cities and counties in the South where the Negro by far outnumber the Whites. If they are all allowed the right to vote, they can completely take over every elective office in a county. This means Negro Mayors, city councilmen.

Rent Bill Means Mixed Housing

Taxpayers To Give Negroes Rent Money

To Move Into White Neighborhoods

Negroes Shooting Whites In Bogalusa

Members of the highly armed negro "Deacons" group are now shooting innocent white people in Bogalusa, La. On July 9th, arrogant negro demonstrators marched through the streets on instructions of James Farmer (who is married to a white woman-they have two mongrel children) Farmer has threatened to mix all white people in the South. As they marched down the street, one of the negro guards in a car following pulled a gun and shot a white man. Dr. Martin Luther King Jr. is now in Bogalusa. The police quickly arrested negro Henry Austin, 21, and took his gun away from him. They then took him to an undisclosed jail in another parish to prevent the white people of Bogalusa from lynching him.

Attorney J.B. Stoen of the National States Rights Party who is in Bogalusa holding white protest rallies, strongly protested the unwarranted shooting. The white people are not going to take this lying down. The time has come to stop negroes from carrying concealed weapons on the streets. White, men, women and children are no longer safe when negroes can roam the street shooting white people at will. We demand swift justice in this case. Young Alton Crowe is critically injured and may die. How much longer are white people going to stand for such atrocities?

Castro Arms Negroes

This cache of guns and ammunition, seized in Miami, was part of shipment smuggled in from Cuba. They were meant for units of Castro's secret Negro underground in South.

The U. S. House of Representatives passed by four votes a Socialistic Bill to give Negroes rent money, so that they can afford to begin moving into white neighborhoods. Congressman Jim Martin blasted the bill as an attempt to integrate white neighborhoods. Those who can apply for the funds would be people now living in government housing projects or those unemployed, or moved from rented slums because of Urban Renewal. There can be no doubt that this bill is designed to give Negroes rent money so that they can afford to move into white neighborhoods. The Civil Rights Law would force whites to rent to Negroes.

The July 1 issue of "Chicago Sun-Times" reports that the new bill is designed "to disperse government subsidized renting through out the city. Instead of concentrating units in racially segregated neighborhoods." Lyndon Johnson has pledged his administration to the "Assimilation of the two races," and he knows that "defacto segregation" still keeps the white and Negro races apart. Whites live in their sections and negroes live in their parts of town. Johnson wants EVERY neighborhood mixed. Most public schools, swimming pools, restaurants, theaters, etc. in white neighborhoods are still all-white. Johnson wants to break this up by using YOUR tax dollars to BLOCK BUST your own neighborhood. Most negroes are poor, because they are lazy, indolent, drunks, refuse to work, etc., and therefore do not have the money to move into a decent white neighborhood. Lyndon Johnson would solve that problem by giving them YOUR TAX DOLLARS, so that they would then have the money to be your next door neighbor.

money to be your next door neighbor

RENT BILL STILL CAN BE DEFEATED

The outrageous and pure Socialistic Rent Bill has now moved to the Senate. The two U. S. Senators from your state will soon be voting upon this fantastic, give away bill. It is your duty to this date, mail a one-page letter (one side of a sheet only) they will not read long letters) protesting in the strongest possible language the Rent Bill.

Tell your senator, if he ever wants to get your vote again, he must work to vote down the Rent Bill. IT SHOULD BE UN-CONSTITUTIONAL FOR THE GOVERNMENT TO USE YOUR HARD EARNED MONEY TO PAY THE RENT OF BUMS AND DRUNKS.

SO THAT THEY CAN THEN MOVE IN NEXT DOOR TO DECENT WHITE PEOPLE.

After you write your letter insist that your neighbors, relatives, and fellow workers do the same. Help them write the letter and mail it for them if necessary. If this horrible bill becomes law, 6 Billion Dollars during the next 40 years of taxpayers money will be used to disperse negroes into every white neighborhood, intermixing and extinction of the two races would then be well underway.

SHERIFF JIM CLARK HONORED

Much to the horror of the liberals and race-mixers, Sheriff Jim Clark of Selma, Ala., (arch foe of King and his beatniks) was elected Vice President of the National Sheriffs Assn. The nearly 700 delegates to the Atlantic City, N.J. convention voted overwhelmingly for Jim Clark. This is but more proof that the police are sick of Negro demonstrations.

Farmer Will Not Conquer Bogalusa

Push has come to shove, or at least so says James Farmer, CORE leader. He has called his band of communists, beatniks, degenerate scum and what have you from all over America to gather in Bogalusa. He has vowed to "take over the town." He promises to integrate everything in sight. Well, we don't think so. This time the obnoxious James Farmer has gone too far. The National States Rights Party has scheduled nightly mass meetings to rally the white people together, to STAND UP FOR WHITE RIGHTS. From what we hear, the white people of Bogalusa have just begun to fight, and are not about to let a blow hard nigger from New York city (with a white

wife) take over Bogalusa. Besides nightly mass meetings, the NSRP will hold parades and counter picketings. We are going to counter all the moves of the Race-mixers. James Farmer thinks he is going to break the back of the white resistance movement

JAMES FARMER

in Bogalusa and use that as an example to take over every other city in the South with his black mobs. We think Farmer has made a big mistake. His disgusting gall and bombastic demands are sickening to decent Americans. No James Farmer, you picked the wrong city. IT WILL ONLY BE OVER YOUR BODIES THAT YOU AND YOUR FILTHY HOODLEMS WILL TAKE OVER BOGALUSA.

Jews Behind Negroes

Arthur Spingarn, the fanatical Jew at left, is President of the National Association for the Advancement of Colored People (N.A.A.C.P.). Spingarn has recently been condemned by the Un-American Activities Committee for his Communist activities. In 1955 the N.A.A.C.P. was exposed as a Red front. Yearly the N.A.A.C.P. awards the Jewish-Spingarn medal to Negroes and Jews for Race-Mixing and other Communist activities. Jewish leaders daily plan Supreme Court decisions regarding Race-Mixing (Integration). The N.A.A.C.P. was founded by Joel Spingarn, Arthur's brother, who organized the first regiment of Negro army officers during World War I. Arthur Spingarn has been leader of the N.A.A.C.P. since 1939 the year Joel Spingarn died. Jews have always led the N.A.A.C.P. On Jan. 24th, 1961 Jewish Judge Irving R. Kaufman ruled illegal any attempt to prevent Race-Mixing. The final goal of the N.A.A.C.P. is total mongrelization of the White Race.

Jews Founded Communism

Pictured at left is the "father" of Communism, the Jew Karl Marx (real name Mordecai). Marx founded Communism as a modern Jewish religion for domination of the Gentile. Communism calls for the immediate destruction of White nations. In a letter to Marx the Jew, Baruch Levy stated, "The Jewish People as a whole will be it's own Messiah. It will attain world domination by mixing the races and the abolition of nations." In writing the Communist Manifesto Marx's greatest helper was the Jew, Friedrich Engels. All leaders of the Communist Party in America have been Jews. The Jewish Rosenbergs were electrocuted for giving Russia information during the Korean war. Eight of the nine members of the Rosenberg spy ring were Jews.

Cities Intense Drive To Recruit Negro Police Called Failure

Arkansas School District Fights Tyrannical Federal Judge Inspiration To Entire Nation

FEDERAL JUDGE & HEW DESTROY ARKANSAS SCHOOL

Watson Chapel School is a small community outside Pine Bluff, Ark. It is truly a perfect example of the neighborhood school. Since 1967, the parents' Booster Club spent more than \$100,000 on improvements in the athletic program. They provided costly uniforms and instruments for the band. The school grounds were landscaped, new playground equipment was purchased and sidewalks added. All of this was provided by parents proud of their school and the fine education their children received.

Some miles away lies the Coleman School for Blacks. Their parents were not interested in improving the Black school. It is in disrepair and none of the improvements the Whites had contributed exist at Coleman.

This situation was not at all to the liking of HEW in Washington and a local reconstructionist scallywag Federal Judge, Oren Harris. While the children were attending their nearest neighborhood school, the federal race-mixers, who harbor a vicious and perverted hatred for the White Race, came up with a dastardly plan to destroy this fine White school and turn it into a Blackboard jungle school.

Judge Harris adopted an HEW scheme which would place Black and White students in grades 9-12 in Watson Chapel and grades 5-8 assigned to the Negro Coleman School. All across the nation it has been evident that integration of the races wrecks education and tosses our children into a morass of Negro degeneracy. This includes the Blacks' filthy language, class disruptions, attacks upon White children, molesting of White girls, etc., etc. THIS IS THE CORRUPT ENVIRONMENT HEW AND THE FEDERAL COURTS WANT TO THROW

Atty. John Warnock
Leads Resistance.

Judge Oren Harris

ALL OUR CHILDREN INTO!

Watson Chapel School Board attorney John Norman Warnock of Rt. 2, Box 178, Camden, Ark., has led this community's fight against an intolerable forced race mixing plan. They have long resisted and actually defied orders to integrate their neighborhood school.

In a hearing held on Feb. 5th Judge Oren Harris actually had the unmitigated gall to tell the White parents that they had set themselves up as a "dictatorial group, against the tide and stream of changing society." Imagine telling honest, law abiding parents who are simply standing up for freedom of choice and constitutional government such an insulting remark. When the School Board Supt. Dale Spradlin said he had no power to integrate the school and took his orders from the School Board, the arrogant federal judge said:

"For a man who is in a position of responsibility such as a school superintendent to tell this court 'I take my orders from somebody else' — this court is not going to tolerate it.

You are under the orders of this court."

Later Attorney John Warnock spoke to a large crowd of determined parents who had pledged to move their children from the school if the federal court took it over. Mr. Warnock told them and the people of America:

"There are those outside our district (in Washington) who want to come in here and cause trouble. We stand in opposition to this federal encroachment upon the operation of a state school. The social planners and the racemixers are conspiring in Washington and other places to destroy the school system of America.

Later a motecade of parents delivered to the office of Gov. Bumpers certificates signed by some 800 parents pledging to keep their children out of the integrated schools. Meetings by concerned parents in the Pine Bluff area have brought out from 2,000 to 4,000 people. It should be noted that Arkansas Liberal Gov. Dale Bumpers has not lifted a finger to aid these

(Continued on Page 2)

Several years ago after the massive riots and burnings following the death of Martin Luther King there was an announced drive to recruit more Blacks into the National Guard. It was found later that they were unreliable, missed drills, dropped out, etc. Today there are fewer Blacks in the National Guard than in 1967.

Due to the upsurge in street crime and violence there has been a campaign to recruit Black policemen. The theory behind this is that Blacks are supposed to obey a Negro officer. Supposedly they will be more obedient in law-abiding neighborhoods. Thus far this has not been an effective deterrent to crime.

After spirited recruitment drives, only Washington, D. C., 76 percent Black, has been particularly successful. Atlanta is the only other city which has significantly raised its percentage of Black cops, some (like Philadelphia) have fewer Blacks on the force now than three years ago.

LOWERING STANDARDS FOR BLACK COPS

Most cities report that Blacks can't pass the written intelligence tests. In Los Angeles recruitment officer Larry Niles said: "Negroes have more difficulty getting through the written tests. The tests give us people with over 100 I Q."

Of course the I. Q. of most Blacks is 12 to 15 points lower than the average White. Therefore some cities have lowered these requirements. Both Detroit and Washington have done this. New York City now gives special "tutoring" for minority applicants in an effort to help them pass the exam.

POLICE RACE STATISTICS

Four years ago Blacks made up only 17 percent of the Washington, D. C. police force. Today it has jumped to 35.9 percent, or 1,797 out of 4,994 policemen. Atlanta, now 51 percent Negro, has raised its percentage of Blacks to 28 percent of the force, or 260 Blacks out of 942. Chicago's force is now 16.5 percent Black with 2,100 out of 12,678 policemen.

(EDITOR'S NOTE: Blacks constitute 11.5% of the U. S. population.)

Cities which are considered to have failed in their drives to recruit more Black policemen are listed as follows:

Los Angeles, 350 Blacks out of 6,705, or 5.2 percent.
Milwaukee, 50 out of 2,098, or 2.3 percent.
Charleston, W. Va. 10 out of 150, or 6.6 percent.
Charlotte, N. C., 22 of 459, or 4.5 percent.
San Francisco, 85 out of 1,755 or 4.8 percent.
Dallas, 32 of 1,640, or 1.9 percent.

New Orleans, 83 of 1,359, or 6.1 percent.
Boston, 20 out of 2,807, or 2.1 percent.

Miami, 74 of 119, or 62 percent.
Hartford, Conn., 60 of 500, or 12 percent.

Brownsville, R. I., 18 of 421, or 4.5 percent.

Philadelphia was 1,431 Blacks out of 6,893 or 20.8 percent in 1967. Today this total has dropped to 1,347 out of a force of 7,242, or 18.6 percent.

"There is an image problem here. Many Blacks have a negative attitude toward police. They feel they will be rejected by their friends if they join the police force."

It is common knowledge that Blacks refer to the police as "pigs"! Their indifference to law and order is one of the main contributing factors to our growing crime problem. Blacks commit by far the highest percentages of crimes of violence in every category. The crime problem is a Negro problem.

Another side of this issue is the threat Black police pose to the safety of White people. In city after city, Black policemen have formed their own officers' associations. They constantly accuse the White policemen of bias and mishandling of arrested Blacks. In one case in Chicago, Illinois, two Black officers intervened when a White policeman arrested a Black. They forcibly released the Black violator from custody. Other White people have complained of rough treatment, abusive language and needless harassment by Black policemen. There is little relief to be gained by complaining about such incidents to city officials. They all stand in fear of the NAACP.
